University Transfer Admission Guarantee with Partner Universities

We are currently working with several universities in Washington, Montana, Arizona and California to offer transfer admission guarantee to any international student admitted to Olympic College. Applicants who are accepted to OC will receive both an admission letter from OC and a Transfer Admission Guarantee letter from the partner university the student has selected. You can show these admission letters to the U.S. Embassy or Consulate as you explain your academic and career goals and obtain a student visa. Please contact us for a list of 4-year partner universities.

Transferring to Non-Partner Universities

Olympic College international students have been admitted to universities all over the United States. At OC, students gain the education and qualifications to transfer to top universities as third year juniors. Admission is not guaranteed to non-partner universities, but our students have been very successful in gaining admission to top universities.
