What Students Should Know

- **Stay Home if you are ill.** Continue to stay home until you have been fever-free for at least 24 hours.
- **Let your instructors know when you have the flu.** Call or e-mail – don't come in person.
- Arrange a "study buddy" who will help you get information on assignments.
- If you are out for an extended period of time, remain in contact with your instructors regarding your status.
- Go to www.olympic.edu/flu for information about Olympic College actions regarding the flu, and links to other informative sites.
- College closure (as required) will be announced in the same way as a snow closure. Sign up for text message alerts on your cell phone at www.olympic.edu/alerts.
