

# **Lesson Plan Evaluation**

**(Please use additional paper if needed)**

1. Did you have advance approval of your lesson?
  
2. Were all your materials ready before your project began? If no, please explain.
  
3. Lesson Process:
  - a. Did your lesson go as planned or did you adapt it according to your observations of the children? Please describe.
  
  - b. How did the children respond to your project?
  
  - c. How did you respond to the children? What did you say? What questions did you ask? What statements did you make?
  
  - d. Did you feel your learning objectives were met? Why?
  
4. What are some possible next steps, based on your observations, for extending the lesson?
  
5. All things considered, how do you feel about your presentation?

Poor            1            2            3            4            5            Super!
