

ABOUT OUR CAMPUS

Olympic College Poulsbo is North Kitsap's hub for healthcare education. The Poulsbo Campus features state-of-the-art facilities for Radiologic Technology, Sonography, and Surgical Technologist programs. In addition to healthcare programs, students can pursue associate degree courses and Running Start. Poulsbo is also home to our partnership with Western Washington University, where OC students gain access to in-demand bachelor's degree programs in Business Administration, Cybersecurity, Environmental Science/Studies and more.
