

Office of Admissions
Nursing (RN) Associate Degree in Nursing Pathway
Application instructions for the 2025 cohort.*

***These instructions are subject to change. Final instructions will be posted in January 2025**

(Do not include with your application)

Revised 9/10/2024

Olympic College provides equal educational and employment opportunities without regard to race or ethnicity, creed, color, sex, pregnancy or family status, national origin, age, marital status, religion, the presence of any sensory, mental, or physical disability, reliance on public assistance, sexual orientation, gender identity, or status as a disabled or Vietnam-era veteran in its educational programs, admissions, activities, and employment policies, in keeping with the letter and spirit of all equal opportunity and civil rights laws.

The ADN (RN) program at Olympic College located in Bremerton, Washington is accredited by the Accreditation Commission for Education in Nursing (ACEN) and approved by the Washington State Board of Nursing (WABON).

*3390 Peachtree Road NE, Suite 1400
Atlanta, GA 30326
(404) 975-5000*

*Washington State Board of Nursing (WABON)
P.O. Box 47864
Olympia, WA 98504-7877
(360) 236-4703*

The most recent accreditation decision made by the ACEN Board of Commissioners for the Associate Degree in Nursing (ADN) program is **continuing accreditation**.

View the public information disclosed by the ACEN regarding this program on the [ACEN website](#).

Download fillable PDF application and save the file with the naming convention provided in the following scenario:

Your name is Student Nurse. Your file will be saved as:
Nurse.S RN Application.mmddyy.pdf.

Submit application by email to: SelectiveAdmissions@olympic.edu

Or submit application in person:

Olympic College
Office of Admissions, 1st floor Building 4 (HSS)
Records and Registration counter
1600 Chester Ave.
Bremerton, WA 98337

Or submit by US mail to:

Olympic College
Attn: Office of Admissions, 1st floor Building 4
(HSS) 1600 Chester Ave.
Bremerton, WA 98337

Application fee can be paid at the Cashier's office, or by emailing
WebPayment@olympic.edu, **or if mailing the application, by including a check or**
money order for \$35.00 made out to Olympic College.

Part 1: Application Timeline

The Application Deadline

The Associate Degree in Nursing (RN) application deadline is March 31st. Application and all supporting documents must be received by the deadline. Applicants are strongly encouraged to apply as soon as they are eligible.

When to Apply

Applicants may submit the application and all supporting documents when they have completed the following:

- Accuplacer Assessment. Minimum score of 260 on the Reading Comprehension section of the Next Generation version of the Accuplacer is required. ***Please note: Reading scores from other assessment tools are not accepted.***
- Required prerequisite courses with a 2.0 grade or higher by the March 31st deadline.
 1. ENGL& 101- English Composition I
 2. CHEM& 121- Introduction to Chemistry (or CHEM& 141/151 - General Chemistry I/ General Chemistry Lab I AND 142/152 - General Chemistry II/ General Chemistry Lab II)
 3. BIOL& 241 – Anatomy and Physiology I*

Prerequisites listed above are minimum requirements for eligibility. Completion of the following additional required classes is not required to be eligible to apply, but highly recommended and awarded factor points for successful completion with a 2.0 or higher (2.2 or higher for NURSE 151 and NURSE 152) by the March 31 deadline.

4. BIOL& 242* - Anatomy and Physiology II
5. BIOL& 260 - Microbiology
6. PSYC& 100 – General Psychology or PSYC 102: Psychology of Adjustment
7. NURSE 151 – Dosage Calculation
8. NURSE 152 – Pharmacology
9. 5 credit elective course from one of the following subjects: anthropology, communication studies, history, humanities, philosophy, political science, or sociology

* CHEM& 121 and BIO&160 are required prerequisites for BIOL& 241 and BIOL& 242 at Olympic College. During the 2024-2025 academic year, students can substitute CHEM& 131 for BIO& 160.

- The following support courses are optional, but awarded factor points for successful completion with a 2.0 grade or higher by the March 31 deadline:
 1. ENGL& 102 – English Composition II
 2. MATH& 107 – Math in Society or Math& 141 Precalculus I: Algebra
 3. NURSE 118 – Nutrition for Professional Nursing (2.2 or higher) OR NUTR& 101 – Human Nutrition

Part 2: Application Checklist

All new applicants must submit a \$35 non-refundable fee with your completed application. Cashier checks, money orders, personal checks, credit or debit Visa and MasterCard are accepted through the **Cashier's Office on the first** floor of Building 4. (Cash payments can only be made through the Cashier's Office). Please contact the Cashier's Office at 360-475-7181 for hours of operation or WebPayment@olympic.edu.

All Applicants

- ☐ Review nursing program website and FAQs:
<https://www.olympic.edu/academics/academic-pathways/healthcare/nursing>.
- ☐ Complete Accuplacer placement assessment if needed for Math and English. If you have already completed math and English classes, the Reading Comprehension section is still required of all applicants. Visit <https://www.olympic.edu/student-life-support/enrollment-services/assessment-testing-services/placement> for testing information or contact the Assessment and Testing Center at 360-475-7238.
- ☐ Attend an Information Session (dates and times available at [https://www.olympic.edu/information-sessions?area_of_study\[\]=96](https://www.olympic.edu/information-sessions?area_of_study[]=96)).
- ☐ Meet with the Healthcare Student Success Coach if you need assistance with planning or have more questions. (This can be scheduled with Ashley Blake at ablake@olympic.edu or 360-475-7782.)
- ☐ Submit completed application and the following documents to the Office of Admissions on the Bremerton Campus, HSS building 4, Records and Registration counter, or via email to selectiveadmissions@olympic.edu.
 - Official Accuplacer Reading Comprehension Proficiency Test scores. Reading scores from any other placement exams will not be accepted.
 - Reflective Statement describing how your unique experiences and attributes (background, identity, culture, beliefs, values, or experiences) will contribute to your success in the Nursing (RN) ADN Nursing Program and align with the Olympic College Nursing Program Mission. The reflective statement should be no more than two pages, double-spaced, size 12 font (Arial or Times New Roman) with 1-inch margins.
 - Current resume describing the specific activities and responsibilities of your professional and academic experiences. Include any activities, certifications, and skills relevant to healthcare. Please indicate any languages spoken and proficiency on the resume if seeking bonus points for being multilingual. The resume should be no more than two pages, size 12 font (Arial or Times New Roman) with 1-inch margins.
 - Verification of Washington State healthcare professional licensure, if applicable.
 - DD214 or DD215 to verify military service, if applicable.

Applicants who have attended any institution other than Olympic College

- ☐ Complete the course review process for biology or nursing support courses if applicable (pg. 9).
- ☐ Submit official transcripts from **ALL** colleges other than Olympic College
 - Electronic official transcripts can be sent to evaluators@olympic.edu. Sealed official transcripts can be mailed to: Olympic College, Registration & Records, 1600 Chester Ave., Bremerton, WA 98337.
 - You must provide an official transcript from **each** school you have attended, even if the course(s) was from a non-accredited school, was taken for “no credit”, or is not applicable to nursing. Showing transferred courses on one transcript will not be considered.
 - If courses are in-progress winter quarter, and you are attending a school other than Olympic College, you will be required to submit official transcripts as soon as winter grades are posted; transcripts must be received no later than April 15th. Failure to do so will make your application ineligible.
 - If you took Advanced Placement courses in high school, you must submit a copy of your scores from the College Board.
- ☐ Submit a Transcript Evaluation Request which can be completed online at <https://www.olympic.edu/student-life-support/enrollment-services/transfer-students/transfer-olympic-college/transfer-credit>.

Part 3: Application Process

Admission Procedure

The program is open to all qualified candidates and is a full-time program. The program admits up to 90 students, ***fall quarter only***. Acceptance is based on a factoring system that includes academic and non-academic metrics.

Application to the Nursing (RN) ADN Program is a separate process from the application to Olympic College. Enrollment in Nursing (RN) ADN Program is limited; therefore, admission to Olympic College does not guarantee admission to the Nursing (RN) ADN Program. Formal application to the Nursing (RN) ADN Program should be made when the applicant has completed or is registered for their last prerequisite course. The Nursing (RN) ADN Nursing Application ***MUST*** be received ***NO LATER THAN*** March 31st of the academic year the applicant anticipates entering the Nursing (RN) ADN Nursing Program.

Admission Requirements

- 1) Fluency in the English language (reading comprehension and writing); a necessary requirement for licensure as a nurse.
- 2) Achieve a score of 260 on the Accuplacer Next Generation Reading Assessment. Contact the Assessment and Testing Center at www.olympic.edu/student-life-support/enrollment-services/assessment-testing-services/placement to schedule. The Reading Comprehension Test is required for ALL applicants regardless of background or previous degrees. **Please note, the Classic Accuplacer is no longer accepted.**
- 3) Completion of the following prerequisite courses with a minimum grade of 2.0 in each course:
 - ENGL& 101 - English Composition 1
 - CHEM& 121- Introduction to Chemistry – (OR CHEM& 141/151 AND 142/152)
 - Note: CHEM& 141/151 and 142/152 cannot be substituted if a student has not been successful in CHEM& 121 within three attempts)
 - BIOL& 241- Anatomy & Physiology 1
 - BIOL& 242 - Anatomy & Physiology 2
 - NURSE 151 – Dosage Calculations (2.2 GPA required)
 - NURSE 152 – Introduction to Pharmacology (2.2 GPA required)
 - **Please note:** BIOL& 242, NURSE 151, and NURSE 152 are not required to be completed before submitting your application to the Nursing (RN) ADN Pathway but must be completed before starting the program in fall quarter.
- 4) Courses completed in winter quarter with the required grade or better will be included in the student's file for fall admission consideration.
- 5) Current Washington State Nursing Assistant Certification is not required to apply, but highly recommended.
- 6) Required support courses not completed as prerequisites must be completed in first year of program.

The application and supporting documents must be received no later than March 31st for priority consideration (i.e., late applications will only be considered based on Nursing Program discretion). Olympic College is not responsible for errors in submitting applications. The applicant is responsible for verifying that all required documentation is received by the Office of Admissions. Applications and transcripts received after March 31st may not be considered for admission to the program for that year. Applications will be reviewed in the order in which they are received. Incomplete applications will not be accepted. All application materials become the property of Olympic College.

Part 4: Additional Admissions Information

Important Note About Retaking Classes

Students can take a prerequisite or support course up to three times. If an applicant has retaken a required course multiple times, the grade for the most recent attempt will be considered. If the grade for the final attempt for a required class is below the minimum GPA required, the student will be considered ineligible for application to the Olympic College Nursing (RN) ADN Nursing program.

Students with Previous Nursing Education

Students who have completed some formal nursing education at Olympic College or any higher education institution must complete prerequisite coursework, meet grade requirements, and are required to enter the applicant pool. If a student started a nursing program outside of Olympic College but did not complete the program for any reason, the student must provide a letter from the previous nursing school's chief nurse administrator (e.g., Dean or Director) stating they left in good standing. If accepted to the Nursing (RN) ADN Nursing Program, previous coursework may be reviewed to determine advanced standing.

Past Disciplinary Action Petition Letter

Students with official disciplinary action or warning or deemed "not in good standing" at Olympic College or any previous higher education institution must include an admission petition letter as part of their application materials. The petition letter must address the disciplinary action, contributing factors, and a mitigation plan to promote future success. Nursing Program entry is NOT an option if the student was disciplined due to a critical safety element.

Background Inquiry

Students who have any previous legal charge or conviction must include a letter indicating the nature of the charge and final disposition with their application. For all students accepted to the Nursing (RN) ADN Nursing program, a national background inquiry completed by a Certified Background check service is required to disclose any history of criminal record or abusive behavior (Child/Adult Abuse Information Act, RCW; 43.43.830 through 43.43.840). If the results of this information cause any clinical agency to deny you privileges to rotate through that agency, withdrawal from the Nursing (RN) ADN Nursing Program will be required.

The WA State Department of Children, Youth & Families (DCYF) hopes to help individuals who have a founded finding of child abuse or neglect in their past that is preventing them from gaining employment. By applying for and gaining a Certificate of Parental Improvement (CPI) DSHS will no

longer automatically disqualify you from working in a Long-Term Care facility and the facility must do a suitability review. More information can be found at: <https://www.dcyf.wa.gov/safety/can-founded-findings/cpi>.

Re-entering Olympic College Nursing (RN) ADN Nursing Students

Reentering Olympic College Nursing (RN) ADN Nursing students must submit a Nursing (RN) ADN Nursing Admissions Application and credential requirements to be eligible to re-enroll. The deadline is two weeks after the final re-entry petition decision.

Part 5: Course Review Process

Who Needs to Complete a Course Review?

Students who took science classes (chemistry, anatomy and physiology I and II, microbiology) outside Washington State or from The Evergreen State College must have their classes reviewed to ensure equivalency to the classes required for the Nursing program (CHEM& 121, BIOL& 241, BIOL& 242, BIOL& 260). Students taking science courses from a Washington State college or university will not generally need a formal course review, though a course review may be required if equivalency cannot be determined.

Students who took the following course(s) at a college or university other than Olympic College will also need to complete the course review process:

1. Dosage Calculation
2. Pharmacology

To complete the course review process, please provide copies of the required documents to the Healthcare Student Success Coach via email to ablake@olympic.edu. Please keep all original documents.

Required documents for a course review:

1. Syllabus (not course description) with lab component clearly listed *and*
2. Unofficial transcript showing the listed courses and grade received.
3. ***ALL course review documents must be submitted before the March 31st deadline.***

Part 6: Selection of Applicants

Acceptance into the Nursing (RN) ADN Nursing Program is based on a factoring system that includes academic and non-academic metrics. Once applications and supporting documents are received, an admission score is determined according to a factoring system and applicants are ranked according to the total number of factor points.

Factor points are only awarded if courses/requirements are completed by the application deadline. **If a student retakes a course, the most recent attempt is used for assigning factor points.**

	Category	1 point	2 points	3 points	Points Awarded	Total Possible
PREREQUISITE & SUPPORT COURSES (ACADEMIC METRICS)						
Prerequisites	ENGL& 101 ¹	2.00-2.89	2.9-3.49	3.50-4.00		3

WEIGHTED TOTAL						

NOTES:

¹ Minimum GPA of 2.0 required.

² Minimum GPA of 2.2 required.

³ Applicants must have completed NURSE 151 and NURSE 152 or be registered in them for spring quarter at the time of the application deadline. Students who have successfully completed NURSE 151 & NURSE 152 at the time of the application deadline will be awarded points toward ranking.

⁴ First generation college students are students whose parent(s) or guardian(s) have not earned a bachelor's degree.

⁵ Awarded one time only per qualified applicant.

⁶ Required support courses must be completed in first year of program.

Reflective Statement

The Reflective Statement should be no more than two pages, double-spaced, size 12 font (Arial or Times New Roman) with 1-inch margins. Reflective Statements will be reviewed and scored by Olympic College Nursing Program faculty and staff.

Provide three or more samples of how your unique experiences and attributes (background, identity, culture, beliefs, values, or experiences) will contribute to your success in the Nursing (RN) ADN Nursing Program and align with the Olympic College Nursing Program Mission:

We are committed to:

- Facilitating an interactive environment that fosters growth and maximizes the potential of each individual student to achieve high academic and ethical standards,
- Developing reflective, caring students who demonstrate professional behavior and commitment to lifelong learning,
- Empowering students to optimize the health and wellness of diverse communities, and
- Challenging students to become responsible decision makers and to be accountable for the consequences of their actions.

Criteria	1 point	2 points	3 points	Points Awarded	Total Possible
Description of Experiences and Attributes	Includes adequate description, analysis, and reflection of experiences and attributes, but does not make connections to the Olympic College (OC) Nursing Program Mission.	Includes adequate description, analysis, and reflection of experiences and attributes, but gives 1-2 examples that align with the OC Nursing Program Mission.	Includes comprehensive description, analysis, and reflection of experiences and attributes, providing 3 or more examples that align to the OC Nursing Program Mission.		6
				x2 =	
Formatting, Grammar, and Spelling	Missing 2 or more of the formatting criteria Many spelling or grammar errors	Missing 1 or more of the formatting criteria Some spelling or grammar errors	Followed formatting guidelines: No more than 2 pages, double spaced, 12 size font (Arial/Times New Roman), 1-inch margins No spelling or grammar errors		3
Reflective Statement Total					9

Resume

The Resume should be no more than two pages, size 12 font (Arial or Times New Roman) with 1-inch margins. The resume should describe the specific activities and responsibilities of your professional, volunteer, and academic experiences. Include any activities, certifications, and skills relevant to healthcare. Please indicate any languages spoken and fluency on the resume if seeking cultural wealth points for being multilingual. Resumes will be reviewed and scored by Olympic College Nursing Program faculty and staff.

Criteria	1 point	2 points	3 points	Points Awarded	Total Possible
Education, Employment, Volunteer, & Relevant Healthcare Experience	Missing elements	Education is listed; employment, volunteer, and experience are listed, but not relevant to healthcare	Education is listed in chronological order; employment, volunteer, and relevant healthcare experience is listed		3
Activities, Certifications, and Skills	Missing elements, or nothing listed	Activities, certifications, and skills listed, not relevant to healthcare	Activities, certifications, and skills listed and relevant to healthcare		3
Formatting, Grammar, and Spelling	Missing 2 or more of the formatting criteria Many spelling or grammar errors	Missing 1 or more of the formatting criteria Some spelling or grammar errors	Followed formatting guidelines: No more than 2 pages, 12 size font (Arial/Times New Roman), 1-inch margins No spelling or grammar errors		3
Reflective Statement Total					9

Tie Breakers

In the event of a tie, the following tie breakers will be used in order (1-5) to determine ranking for admission:

1. Combined **GPA** of prerequisite courses (ENGL& 101, CHEM& 121, BIOL& 241, BIOL& 242, NURSE 151, and NURSE 152)
2. NURSE 151 completed by March 31st
3. Number of support courses (BIOL& 260, ENGL& 102, MATH& 107, NURSE 118 or NUTR& 101, and PSYC& 100) completed by March 31st
4. Combined **GPA** of the support courses
5. Overall cumulative **GPA** for all colleges attended

Part 7: Post-Application: What to Expect

Office of Admissions Timelines

1. Nursing (RN) ADN Nursing Admissions Application and all supporting documents must be submitted to the Office of Admissions by March 31st.
 - a. Nursing (RN) ADN Nursing Admissions Applications received after March 31st may not be considered for the upcoming cohort.
 - b. All students whose application materials (prerequisites and required documentation) are not complete may need to apply for the following year's cohort.
2. Applicant files will be reviewed by the Office of Admissions. A letter will be sent to applicants advising them of any missing documents. Incomplete applications turned in within the last three weeks of March are not guaranteed to receive notification from the Admissions Office prior to the application deadline. Therefore, applicants are strongly encouraged to submit application materials as soon as they are eligible to apply. Any required documents missing from the application packet will make your application ineligible for the current year and ineligible to receive a rollover point.
3. The Nursing (RN) ADN Nursing Admissions Committee will meet after the deadline to determine admission to the fall cohort.
4. The admission letters for the Nursing (RN) ADN Nursing program will be sent via email (listed on the application) by the Admissions Department (not the Nursing Program). Students will receive notification of their status prior to July 1st.
 - a. **Please do not contact Admissions or Nursing prior to July 1st regarding the status of acceptance letters.**
 - b. **After July 1st,** if you have not received notification of your status, you may contact the Selective Admissions at 360-475-7206.

Admissions are granted for a specific cohort year, as noted in the acceptance letter. Students who have been offered admission but do not enter the program for the specific cohort year must submit a new application to be considered for a future cohort year in the Nursing (RN) ADN Nursing Program by the March 31st deadline.

Eligible applicants who are not admitted may use the rollover point one-time on a subsequent application. It is not necessary to resubmit official transcripts unless additional classes have been taken at institutions outside of Olympic College.

Students who have been offered admission will be required to attend mandatory Nursing (RN) ADN Nursing Program orientation sessions prior to the beginning of fall quarter.

Part 8: Nursing (RN) ADN Nursing Program Clinical Experiences

The Olympic College Nursing (RN) ADN Nursing Program includes clinical experiences in patient care at cooperating health care facilities. The clinical agencies require students to provide evidence of the following prior to beginning clinical experiences:

- 1) Current immunizations, uploaded to and confirmed by Nursing Program staff;
- 2) National Background Check, Washington State Patrol Background Check, and Department of Social and Health Services (DSHS) background check within acceptable parameters of clinical agencies;
- 3) Annual criminal history disclosure;
- 4) Current Basic Life Support for Health Care Providers Certification (American Heart Association for the Healthcare Provider) that is valid through expected date of graduation;
- 5) Non-refundable liability and malpractice insurance (purchased through Olympic College fees);
- 6) Proof of personal health insurance; and
- 7) Learning modules and trainings as required by clinical facilities.

Please do not turn in documents pertaining to items 1-7 above with your application. Applicants accepted into the Nursing (RN) ADN Nursing Program will be required to attend a mandatory Clinical Documentation Orientation. We recommend that all applicants wait to start the documentation process until after attending the Clinical Documentation Orientation.

Applicants who have chronic health conditions or disabilities which require alterations to the program of study as approved by the Washington State's Board of Nursing (WABON) formerly known as The Nursing Care Quality Assurance Commission (NCQAC) may deny licensure based on legal or ethical grounds., or which prevent the practice as an RN with reasonable skill and safety, should be aware of the possibility that they may not be eligible to sit for the NCLEX licensing examination or obtain a license to practice Nursing. Questions should be addressed directly to WABON may deny licensure based on legal or ethical grounds., Nurse Practice Advisor at (360) 236-4725.

Part 9: Student Health & Safety Requirement Checklist

For information purposes only. You will be required to obtain these items only after acceptance into the program and attending the mandatory Clinical Documentation Orientation. **DO NOT fill out this form and return it with your application.**

<p><i>By contract with your academic institution, all students and faculty participating in learning experiences at this healthcare site must meet the following health and safety requirements. The academic institution is responsible for ensuring that requirements have been met prior to participation in the clinical experience. Records will be kept at the academic institution and random review by the clinical affiliates will occur on a regular basis. Documentation must meet requirements at all times. Required immunizations must include mm/dd/yyyy if available.</i></p>	
<p align="center">SUBMITTED ONCE</p> <p>TUBERCULIN STATUS The Tuberculin Status requirements can be met through completion of one of the following:</p> <p>A. Completed 2-step TST</p> <ul style="list-style-type: none"> If first TST is positive, with no prior history of disease, then an IGRA with a provider examination and Chest X-ray is recommended to confirm. <p>B. TB IGRA</p> <p>C.
