

OLYMPIC COLLEGE

**Bachelor of Science in Nursing
(RN to BSN)**

Application Instructions

The Bachelor of Science in Nursing program (BSN) is accredited by the Commission on Collegiate Nursing Education (CCNE).

Olympic College Mission

Olympic College enriches our diverse communities through quality education and support so students achieve their educational goals.

Olympic College does not discriminate on the basis of race, color, national origin, sex, disability, sexual orientation, or age in its programs and activities.

RN to BSN Program Application

The Bachelor of Science in Nursing (BSN) at Olympic College was the first degree of its kind to be offered at a community college in the state. The program started in 2007 and offers students who have obtained an associate/diploma nursing degree an opportunity to obtain a baccalaureate degree in their field.

Earning a BSN degree provides many benefits to the associate degree registered nurse and the greater health community. The BSN curriculum design fosters professional development of the registered nurse. The program promotes a learning environment that is student-focused, open, liberating, and dynamic.

Applicants to the Olympic College RN to BSN program must meet the following requirements:

- Current unrestricted licensure as a registered nurse in the state of Washington (provisional admission is offered to students in the last year of an associate degree program in nursing). Advanced placement credit is awarded based on verification of successful completion of NCLEX (RN) exam.
- One year of clinical practice (ADN clinicals apply as experience)
- A cumulative GPA of at least 2.5 in all college coursework
- 35 nursing credits from a regionally accredited Associate Degree Nursing program
- A minimum of 35 quarter credits completed of general education requirements
- A minimum grade of 2.0 in each of the required courses

Application Process

Application to the RN to BSN program involves three steps:

1. If you have not attended Olympic College previously, complete the general admission application at: <http://www.olympic.edu/admissions>

2. Complete the RN to BSN application or download a new copy at:
<https://www.olympic.edu/nursing/nursing-bachelor-science-nursing-rn-bsn/additional-information-resources>

Email to SelectiveAdmissions@olympic.edu

Or, mail completed application to:

Olympic College
Attn: BSN Admissions
1600 Chester Avenue
Bremerton, WA 98337

3. Submit supporting documents:
 - a. One official transcripts from all previous academic and nursing course work. High school transcripts should be submitted if foreign language was completed in high school.
 - b. Resume outlining nursing and/or academic clinical experience
 - c. Personal statement/essay (2 page maximum) describing your personal and professional experiences. Include leadership, special achievements, accomplishments, special skills, previous work in diverse communities or disadvantaged populations, and professional and educational goals.
 - d. Three professional recommendations from RNs who know your abilities (work colleagues in the clinical setting or ADN faculty members are fine).

***OC RN-BSN Admission is based on the following:
Providing all required application packet materials, meeting the admission requirements, academic background, and personal essay.***
