Student-Focused Activities

Spring Quarter, **OCAB** is providing student-focused activities and programming that enhances students experience in building community, in-person engagement, and healthy alternative to being inert.

Programming is slowly getting back to a new normal. OCAB members, Cassie Pastori, Sofia Cabral, and Mercedes Diaz, are doing amazing things to provide these events to the student population. We encourage students to meet the OCAB members and participate in these events.

Come and meet Cassie Pastori and the newest members of the OCAB Team., Sofia Cabral and Mercedes Diaz. We are excited to have Sofia represent at the Bremerton campus and Mercedes at the Poulsbo campus. (All members pictured below.)
