   B. A request to cancel the license less than 21 days prior to the beginning of the fee period shall include Licensee’s statement of reasons. Requests will be granted at the discretion of the Residence Hall Manager or designee. The remaining balance of any fees paid in advance will be paid to the Licensee.

-- Cancellation During the Fee Period With 30 Days’ Notice
   A Request to Vacate Form may be submitted on or after the beginning of the fee period and requires a minimum 30-day written notice prior to the date the Licensee intends to vacate the facilities. A Licensee who meets one or more of the following criteria will receive a prorated refund for payments made in advance (minus amounts due or owing), calculated from the date the Licensee vacates the living unit through the end of the fee period.

The Vice President for Student Services or their designee will determine if such cause exists, and their determination will be final.

A Licensee whose request is approved will receive a prorated refund for payments made in advance, calculated from the date the Licensee vacates the living unit through the end of the fee period. A Request to Vacate form which has been approved (see paragraph above) during the fee period, and is made less than thirty (30) days prior to the date the Licensee intends to vacate the facilities will be charged a penalty equivalent to 30 days times the daily room rate for the living space. The 30-day period will be calculated by counting the day on which Residence Life receives the written Request to Vacate. A cancellation fee of $200 may also be charged. In the event that the Request to Vacate is not approved, the Licensee will be charged for room fees through the end of the fee period.

-- Revocation of Residence Life License
It is critical that the Licensee recognize that revocation of the Residence Life License because of disciplinary action does not release the Licensee from their financial obligation to Residence Life for the full license period. Disciplinary action may be taken when violations of any of the parameters outlined in the License or Handbook occur. When revoking a Residence Life License, the Residence Hall Manager or their designee will determine what disciplinary action and fees will be assessed and will so notify the Licensee.
