Officer Reports

GOC President:

o Brandon is back in Alaska, and he's hoping to find someone who's interested in his role and training a new President up. He's been getting a lot of interest from faculty as far as the Otterly awards go. Going to follow up with the YMCA about questions asked at the information session, such as cheaper membership options.

SGOC Vice President:

o Working to get student tenure committees back on track, trying to follow up with students who still haven't responded
o Had some trouble with students being unresponsive about attending meetings, but fortunately when this happened Brandon was able to step in and serve.

SGOC Dir. Of PR & Communications:

o Not present

SGOC Dir. Of Finance & Operations:

S&A Budget has been a cool and exciting process, working on getting a committee together and sending out information for 4 months, and the experience has been fun and rewarding. She'll be sending out an email to the committee and drafting acceptance letters. Also practicing for the BOT meeting later this month, and trying to find ways to make sure the next person in the Finance and Operations role is prepared.

SGOC Dir. Of Student Life & Clubs:

Clubs are in various stages of chartership. Looking to help club retention over the summer by helping them keep things running year long.

Program Assistant/SGOC Advisor:

Working on the hiring committee for next year's SGOC. Working with Vy to get marketing out. Also going to get information to Dessie so the hiring page for SGOC can be updated. Onboarding and training new team members. Student award done during student appreciation day on May 18th. Looking to acknowledge and recognize hard work on behalf of the school. Also working with Rachel to host an event for prospective Bremerton High School students, maybe hosting a game or something to provide some appeal. Good opportunity to get the SGOC active and involved.

All future meetings will be held at 8:30 AM on Tuesdays
