- Old Business
 - Chartering of new Clubs/Club Advisor Handbook Reapproval
 - Katie: We had SAGA chartered and the volleyball club recently. The club handbook was approved at the last meeting by the student government.
 - Services and Activities Budget:
 - Rosie: Two requesters appealed last week, athletics and recreation. Malikah and I worked to create a rubrik, got it approved by Dr. Taga, sent out the emails to the departments letting them know how much they were budgeted for, and will be presenting her findings tonight.
 -

- New Business
 - Reallocation of PAVE Funds- Tatiane Simons
 - 5500 dollars that Tatiane would like to put half towards Salute honor society. Very fortunate to have that program, this is the third induction. Looking at a total of over 100 members. Very much solidifies the accomplishments of the military college community. Wants to give them honor stoles this year in celebration. The other 2500 could go towards Military Appreciation Week- it's been great so far, but they haven't received a whole lot of funding from the Foundation. 10 awards will be given out at the May 20th presentation. Already has around 2200 dollars set apart for that, but that would only cover food for the event. The remaining \$500 will be given back to SGOC for next year's funding(Rosie's inquiry).

Officer Reports

SGOC President:

- Pretty mellow, but will be a little more proactive from now on. Working Monday through Wednesday from now on. Past two weeks have been

spent working on Otterly awards, it might be a flop but hopefully not, we can always try again in June.

- Rosie will be presenting her budget to the committee tonight, so be sure to stop by and support Rosie if you can.
-

SGOC Vice President:

- Continued work on Student Tenure Committees, helped out at a very successful Club Fair, continuing to work with department heads to make way for new committees

SGOC Dir. Of PR & Communications:

- Changing work schedule to mainly work on Monday and Wednesday, remaining flexible on Tuesday and Wednesday.
- Been working on advertising for events, food pantry awareness (considering a new name), and hiring publications for next year's SGOC. Looking at putting out a survey for students about the food pantry. Working with Shawn Devine to send out emails to all students regarding these matters.

SGOC Dir. Of Finance & Operations:

- -Finished the S&A appeals process
- -Finalized the S&A budget
- -Presented the S&A budget at the 5/17 BOT meeting

SGOC Dir. Of Student Life & Clubs:

- Final Club Fair of the year, chance for clubs to networks and solidify clubs over the summer. Some new interest in developing clubs
- Club Advisor Handbook reapproval

SGOC Food Pantry/Office Assistant:

- Lots of students came last Monday to the food pantry. Really appreciated, because food shouldn't expire.

Program Assistant/SGOC Advisor:

- Since last meeting, working on finalizing the hiring process for next year's SGOC. No applications so far, but with promotions and emails from Shawn Devine, and having an opportunity to get into classrooms, there should hopefully be more interest. Extended deadline to apply now. Working on Student Advancement Council, first in person meeting Thursday at 8:30, should be fun. Student Appreciation Day's awards ceremony has occupied some time, there should be

about 15 awards handed out. They'll get an SGOC mug, candies, and a gift card.
Preparing for the End Core conference. End of May-June 4th.

Meeting Adjourned at 9:03 AM.
