Officer Reports

- **SGOC President – Aniya Clark**
 Since the last E.C meeting I have reported to the Board of Trustees on our current SGOC activities. Additionally, I have had my meeting with Dr. Taga and Heather. Currently in my council we have not met since the last E.C. meeting. Later in my role I hope to work on the upcoming Town Hall.
- **SGOC Vice President – Samantha Stevens**
 Last week, I had the opportunity to attend the NLS with Mary Cavalluzzi, Brendon Taga, Chair Harriette Bryant, and Trustee Frankie Colemon. During the event, I gained insight into how other students and community college representees are navigating the evolving landscape of higher education.

 My council is still reviewing policy drafts, and I'll share them once they're ready. Meanwhile, Martin is actively working on launching an Academic Strategic Planning Committee. We're seeking SGOC feedback on the draft themes and goals for the Academic Strategic Plan.

 In the coming weeks, we look forward to hosting our town hall, where we'll update students on our efforts to make the course evaluation process more transparent.
- **SGOC Director of PR and Communications – Eon Hu**
 Since the last Executive Council meeting, I successfully released the bi-quarterly newsletter, providing comprehensive updates for students. I also led promotional campaigns for the Club Fair, which increased student engagement. A major update to the SGOC webpage was completed—after receiving full club

information from Jaimee, I overhauled the club section to improve accessibility and removed inactive clubs for greater clarity and accuracy.

Our council has not met since the last SGOC meeting, but our next meeting is scheduled for the 21st. During that meeting, we will discuss upcoming initiatives, review new updates, and plan future outreach efforts.

In the coming weeks, I will focus on several key projects:

- Promoting the upcoming Town Hall event to ensure strong student engagement.
 - Creating marketing materials for the new Food Pantry to raise awareness and improve accessibility.
 - Developing materials and outreach for hiring the next SGOC members, which must be released by the end of the month.
 - Reviewing and assisting with the progress of the new ID card webpage to ensure clear and accurate information for students.
 - Maintaining and updating SGOC web pages to keep all digital resources current and relevant.
- **SGOC Director of Finance and Operations – Merrie Woodland**
I am deep into the S&A Budget process, and it is going swimmingly.
 - **Director of Clubs and Student Life - Jaimee Mosey- (N/A)**
 - **Office Assistant/Food Pantry – Sun Mi Hong**
Since the previous Executive Council meeting, I followed up on the relocation of the food pantry and stocked it for temporary use. I also coordinated with Allison, a Public Health Educator from Kitsap Public Health, to visit our new space and provide guidance on shelving items and managing the pantry effectively.

The Data & Technology Council had a meeting scheduled for February 17, but it was canceled due to the President's holiday.

In the coming days, I will visit Bremerton Foodline again this week to secure more donations. Additionally, Allison will be visiting us this Thursday at 1 p.m. to offer further support and recommendations.
