

Your application was selected by the Department of Education (ED) for review in a process called "Verification". In this process, the financial aid office will compare information from your FAFSA with your **2022 IRS tax information**. Federal law allows the college the right to ask you for this information before awarding Federal student aid. If there is a difference between your FAFSA and verified information, the college will make corrections electronically.

Complete this verification form and submit it to the financial aid office as soon as possible. The financial aid office cannot process your application without this information. ****INCOMPLETE or ILLEGIBLE WORKSHEETS MAY DELAY PROCESSING****
