TITLE: Naming of Olympic College Facilities with regard to the Olympic College Foundation and Fund Solicitation

POLICY NUMBER: OCP 100-09

APPLICABLE PROCEDURE(S): OCPR 100-09-01 through OCPR 100-09-06

This policy will provide guidance for all involved in fund solicitation on when and how the Board intends to name buildings and rooms on the campuses of Olympic College. By setting forth this policy, the Board seeks to properly recognize significant contributions, provide guidance for those involved in the funds solicitation process, maintain equity among donors, and avoid potential misunderstandings. The Board welcomes advance notification and discussion of possible naming opportunities and appropriate gift levels with those involved in donor solicitation, but will take formal action only following receipt of a qualifying gift. Such action will be taken in a formal, open Board meeting.

The Board of Trustees reserves the right to name all permanent structures on the campuses of Olympic College and to accept or reject any gift contingent upon a naming. No employee of Olympic College is authorized to commit the Board or the College in this regard. The Olympic College Foundation, the members of its Board and its employees and agents are not authorized to make representations, promises or other commitments in this area without prior written authorization from the Olympic College Board of Trustees.
