INTERNATIONAL VIRTUAL LOUNGE

My experience in the International Virtual Lounge this summer was amazing. I never expected such love and joy from each one of us. We took each and everyone of us as family and the funny part here is that we are from different countries. Wow!!!!!!! I never wanted to miss the fun, but am in my country Nigeria and my time difference was pulling me down.

I would make sure I’m awake at 3am Nigerian time just to join the International Virtual Lounge because I was impressed by it and I always wanted to take part in it. - Darlington (Nigeria)

For summer session our winner with the highest game points was Yoko from (Japan) while winners with the highest attendance points were Munghoon from South Korea, Mizuki from Japan, and Mayu also from Japan! Thank you all for joining us!

RAKE, PILE, LEAP! IT’S FALL AGAIN

As many of us have already noticed, leaves have started to falling and temperatures are slowly dropping. That could only mean one thing, fall is upon us. With the start of a new academic year, we, at the Office of International Education and Study Abroad, would like to welcome all of you to a new academic year. With it being confirmed that fall classes will be offered online, we would like to remind our returning students to check through their ctcLink account if they have been registered in the classes they need to take this quarter. If you have not registered into any classes yet or have any questions about your classes then use this link “https://calendly.com/sbell-31” to schedule a meeting with Shannon for extra help. It is also very important to log into your classes before hand and look at the syllabus. The syllabus will give you a deeper insight on what to expect for your classes, what materials you will need and how to communicate to your instructor. - Kennedy
