Associate in Technical Arts (90 cr)

This program is designed to prepare students for leadership roles in retail, sales, public service, government and small business environments. The two-year format follows a successful completion of the management core plus 24 credits of additional management courses and 10 additional credits of elective classes. This degree transfers into the Bachelor of Applied Science in Organizational Leadership and Technical Management degree at OC, the Upside Down Bachelor of Arts Degree program at The Evergreen State College, and the Bachelor of Applied Science in Information Technology and Administrative Management at Central Washington University.

Certificates of Proficiency

Business Management (48 cr)

This program is designed for those who hold degrees from other areas of study or for individuals who wish to acquire leadership skills in business management and planning to improve employment opportunities.

Retail Management (38 cr)

This certificate prepares individuals to manage a variety of retail sales operations or lines of merchandise. The program serves both entry level job candidates and incumbent employees. The Western Association of Food Chains (WAFC), a nonprofit organization representing major food retailers, endorses the program.

All courses in this certificate are accepted by Western Governors University and Brandman University.

Certificates of Recognition

- Business Management—Small Business (19 cr)
- Business Management—Supervisory/Human Resources (19 cr)
- Sales and Marketing (19 cr)

“Olympic College has given me a great understanding of marketing and how to run a small business.”

- Jacob Hutchinson, Student

“I think business management is a good, general degree because it transfers into any kind of work. It gives you a broad understanding, and makes you much more employable and marketable as an employee.”

- Jennifer Clarke, Student
