

ORGANIZATIONAL LEADERSHIP AND RESOURCE MANAGEMENT

Explore Your Opportunities in an Exciting Career Pathway!

This two year program is designed to prepare students for leadership roles in private and public service environments. We assist students by providing:

- Basic leadership skills,
- An understanding of their role in influencing groups of individuals to accomplish organizational goals while adopting strategies that foster critical thinking,
- The ability to lead change within organizations.

The program curriculum also prepares students to continue their studies at the bachelor level.

Bachelor of Applied Science in Organizational Leadership and Technical Management (180 cr)

The Bachelor of Applied Science in Organizational Leadership and Technical Management is a practitioner-oriented, applied degree that will prepare students for leadership, management and supervisory roles in private, public and nonprofit organizations. The program is designed to enroll students with a range of professional technical associate degrees and a diverse set of work experiences and professional goals. The curriculum will address knowledge, skills, and abilities in areas such as leadership theory, supervisory communications, project and operations management, occupational safety, conflict resolution, change and diversity management, and business law.

Associate Degrees in Applied Science

- Organizational Leadership and Resource Management—*Transfer* (93 cr)
- Leadership and Occupational Studies *Transfer* (90 cr)

Certificates of Recognition

- Advanced Leadership Development (40 cr)
- Organizational Performance Improvement (25 cr)

Certificates of Recognition

- Leadership and Human Relations (12 cr)
- Leadership in Non-Profit Organizations (11 cr)

The certificates above are stackable and lead into the Bachelor of Applied Science in Organizational Leadership and Technical Managements degree.

"It's a positive experience."

– Jacob Hutchinson, Student

"I just feel so supported by the other students and the teachers. It's a family in a way."

– Jenny Clarke,
Graduating Class of 2017
