For the Business and Industry Route, you must be able to identify three years (6,000 hours) of paid occupational experience in the subcategory specialty CTE field. One year (2,000 hours*) must have been completed within the past six years. *If all or part of the 2,000 hours is more than six years old, an additional 300 hours of recent occupational experience (occurring in the last two years) is required. Applicants using a certificate plus 3 years of teaching experience in lieu of a program must verify the same amount of paid occupational experience. Page 2 of the Application for a Washington State CTE certificate must be completed and attached to this enrollment form. Current CTE teachers do not need to submit documentation of paid occupational experience with this enrollment form because it has been submitted with their certification documents.

I certify to the best of my knowledge all statements on this form are true. Admission to OC carries with it the expectation that students agree to comply with established OC policies and regulations. If submitting electronically, your typed signature below indicates acceptance of the previous two sentences.
