Annual “Bite of Seattle” was held on 15th, 16th, and 17th of July this year at Seattle Center by the Space Needle. Bite of Seattle is the premier food and beverage showcase in the Northwest and features 60+ restaurants and vendors. Therefore, our students mostly could try tastes from all over the world. Besides, they also had Henna tattoo, drawing human portraits and other fun activities. Kids were surrounding Musical Fountain to dance and have fun together. All OC international students who participate in this event had a great time to see American festival culture and willing to attend this event next year!

Picnic Day

On Friday, July 22nd, despite the weather outside, we still could make a cozy picnic inside the lounge for fun! It was a potluck picnic, which had a variety of food and drinks such as Lumpia from the Philippines, Yakisoba Noodles and Mixed rice from Japan, cherries, peaches, cookies, carrot cake from the U.S., India, and South Korea. We sat down, ate, and talked about our food cultures, how the particular, unique tastes in each country are.

Learning a new language

On Tuesday, July 26th, one of the officer from KRL librarian came to Olympic College Bremerton campus. She held a class about how to access Mango Languages for free. Freshen up old skills or learn completely new ones. Over 70 languages to choose! From her Spanish example, I got a lot of useful information. People can pronounce words by recording themselves, checking and repeating online. It is an amazing tool for people who wants to learn the culture and language from other countries, especially for our international students from Olympic College.
