Policies and Procedures

Admission, Registration and Graduation Appeals Committee (ARGAC)
The Admission, Registration and Graduation Appeals Committee (ARGAC) is advisory to the Dean of Enrollment Services and generally meets once each quarter. The ARGAC objective is to facilitate the decision-making process as it relates to uncertain requirements or unique circumstances in regard to student admission, registration and graduation.

Admission: To review all aspects for the admission of students to OC, its programs and courses, including the appeal of admission decisions.

Registration: To review problems related to student registration or enrollment in courses.

Graduation: To review situations regarding the waiver and/or substitution of specific graduation requirements for all degrees and certificates awarded by OC.

Process
To begin the process, a student must submit a completed “Registrar’s Petition” form to the Dean of Enrollment Services. The request should be specific and may include supportive documents or statements from appropriate people and sources. The student should consult with the Registration and Records Office regarding appropriate times to submit an appeal in any given quarter. The Dean of Enrollment Services may approve or deny the petition. If the petition is denied, the student has the option to request the petition be forwarded to the ARGAC for review. The ARGAC decision is final.

NOTE: Grade appeals follow a different procedure (see “Grade Appeals” in this catalog).

Affirmative Action & Equal Opportunity Policy
Olympic College, Community College District No. 3, shall provide equal educational and employment opportunities without regard to race or ethnicity, creed, color, sex, national origin, age, marital status, religious preference, life-threatening illness, the presence of any sensory, mental, or physical disability, reliance on public assistance, sexual orientation, status as a disabled or Vietnam-era veteran, or political opinions or affiliations.

It is a realization that discrimination, and the prejudice from which it results, is deeply ingrained within our culture. Concentration on the mere prevention of discrimination can result in the implementation of practices, which provide only superficial equality. Such practices, while possibly within the letter of the law, do not enact the full intent of the federal and state legislation, presidential and gubernatorial executive orders, or the courts’ interpretation of these mandates. Therefore, Olympic College will organize and implement practices and programs, which aid in overcoming the effects of discrimination in regard to all of the protected groups.

Affirmative action as a priority, Olympic College leadership believes that affirmative action must occur not only in the employment phase of its operation, but also in its educational programs, since it is in this area that the educational system impacts the make up of the labor force of the future. Olympic College will operate aggressively and affirmatively in implementing and maintaining programs, which will promote genuine equal education and employment opportunities and opportunities. Complying with this policy is a priority commitment to affirmative action in the day-to-day operations at Olympic College, resulting in improved opportunities for protected groups and an improved learning environment.

The Affirmative Action Officer is responsible for the implementation and maintenance of systems, which monitor the effectiveness of the college’s Affirmative Action Plan. While it is the obligation of all staff members to assist in achieving goals for the plan, administrators and supervisors are expected to provide leadership in this effort.

Those persons who have questions or grievances regarding affirmative action or equal employment and educational opportunities at the college are invited to contact the President or the Affirmative Action Officer.

Grievance Procedure
For Students with Disabilities
OC has adopted an internal grievance procedure providing for the equitable resolution, within a reasonable time, of complaints by students with disabilities alleging violations of their rights under the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973.

All requests for access, accommodation, and academic adjustment should first be brought to the Office of Access Services (AS). If a student believes that a faculty member, an office or a program has refused to provide an accommodation in accordance with notice from Access Services, a student should first request the assistance of the AS Director in resolving the complaint. If the complaint cannot be resolved in this manner, or if it involves the Access Services Office, a student has the right to appeal with the following procedure:

• Submit a written appeal to the Vice President of Student Services, which should include:
  – The nature of the disability, with an explanation of its current impact and functional limitations in the academic setting;
  – Details of the reasonable accommodation being requested; and
  – A description of any/all accommodations provided or offered by the college and an explanation of why these accommodations are insufficient or ineffective.

• The Vice President of Student Services shall investigate the grievance and issue a written determination, which will specify resolution of the matter. Such written determination shall ordinarily be issued within 14 days of the filing of the grievance. Circumstances which may prolong the response of the Vice President include the intervention of a quarter break and other such circumstances which may render unavailable persons necessary to an appropriate resolution of the complaint.

• In addition to the above described appeal process, any student who believes that he or she has been discriminated against on the basis of disability may file a formal discrimination complaint with the ADA Compliance Officer. OC has adopted an Affirmative Action and Equal Employment Opportunity Policy that provides for prompt and equitable resolution of complaints alleging discrimination. A copy of the policy is published in this catalog and may also be obtained from the Office of Human Resource Services on the fifth floor of the College Service Center at OC Bremerton.

Students also have the right to file a complaint with the U.S. Department of Education and/or seek other legal remedies under state and federal law. The Department of Education requires complaints of discrimination to be filed within 180 days of the last known incident of discrimination. For further information regarding external complaint mechanisms, please refer to the RCW 28B.10.910 through RCW 28B.10.914 and the Washington Law against Discrimination, RCW 49.60.

ARGAC Appeal Procedures
for Students with Disabilities
OC recognizes that certain disabilities may preclude a student from successfully completing a specific course requirement for a degree, even with appropriate accommodations. In those cases, the college will consider course substitutions when they do not compromise the integrity of the academic program. Under the Americans with Disabilities Act, the college is required to waive essential requirements of a student’s program of instruction. Therefore, every student enrolled in a degree program must meet the essential requirements of that program. In the case of substitution requests, the college understands that any such substitution must not weaken the curriculum, but rather expand the opportunities available.

Alcohol/Drug-Free Environment
Per WAC 132c-120, any student shall be subject to immediate disciplinary action who, either as a principal actor or aider or abettor:

• Is found to be using, possessing, being demonstrably under the influence of, or selling any narcotic or controlled substance as defined in chapter 69.50 RCW as now law or hereafter amended, except when the use or possession of a drug is specifically prescribed as medication by an authorized medical doctor or dentist. For the purpose of this regulation, “sale” shall include the statutory meaning defined in RCW 69.50.410 as now law or hereafter amended.

• Is found to be demonstrably under the influence of any form of alcoholic beverage. Possessing or consuming any form of alcoholic beverage on college property, with the exception of sanctioned events, approved by the President or his or her designee and in compliance with state law.

Adopted by Board of Trustees 3/23/2004, Revised 8/24/2010

A Special Note about Marijuana:
In November 2012, Washington voters adopted Initiative 502, which legalizes small amounts of marijuana for personal use. Despite passage of this law, OC’s policies prohibiting the use of marijuana at the college remain in full force and effect.

While the state has decriminalized possession and use of small amounts of marijuana in private, it is important to understand that (1) public use of marijuana is punishable as a civil infraction under the new law, and (2) OC’s pre-existing student conduct code and employment policies remain unchanged. They prohibit the manufacturing, distribution, dispensation, possession or use of a controlled substance, including the possession or use of any amount of marijuana on campus.

Continued enforcement of policies prohibiting the use of marijuana at the college is necessary, in part, for OC to comply with the federal "Drug Free Schools and Communities Act," 20 U.S.C. §1011, which makes the receipt of federal funding contingent upon the college certifying that it has adopted and implemented drug free campus programs and policies for its students and employees. Because the possession and use of any amount of marijuana continues to be a criminal offense under federal law, OC must prohibit its possession and use, or risk jeopardizing its federal funding which includes financial aid, contracts and grants.
OC also recognizes that altered methods of course delivery and/or the use of accommodations will enable most students with disabilities to successfully complete course requirements, except in unusual circumstances. Therefore, the student is encouraged to attempt successful completion of the required course and/or prerequisites with accommodation. Course substitution may be requested with the following procedures:

- All requests for course substitutions shall be submitted to the Dean of Enrollment Services prior to the Admission, Registration and Graduation Appeals Committee (ARGAC) meeting. This committee meets if appeals are submitted, or is held once per quarter as required. Consult with the Registration and Records Office regarding the submission process or date in any given quarter. The request must include the following information:
  - An explanation of the relationship of the student’s disability to the lack of success in completing the course; current relevant medical or psychological documentation which includes functional impact of the disability and its duration, when appropriate (refer to the section, “General Guidelines for Documentation of a Disability”); a description of the accommodations previously received by the student in the course or relevant subject area, if attempted; and a release signed by the student, authorizing the committee to review the student's documentation and to contact the evaluating professional, if necessary.
  - The request may also include other relevant information, such as letters from instructors and/or tutors who have first-hand knowledge of the student’s attempts in the required subject area.
- Course substitutions will be approved only when such requests are consistent with the essential degree requirements.
- Students may contact the Registrar’s Office for further details regarding specific requests.
- The Dean of Enrollment Services shall respond in writing to all requests within one week of the ARGAC meeting. The response shall include a brief summary of the basis for the decision.

Harassment/Discrimination Complaint Procedure
Consistent with Olympic College’s efforts to establish and encourage a learning and employment environment in which the dignity and worth of all individuals are respected, harassment/discrimination is unacceptable conduct and will not be tolerated.

Discrimination – Discrimination is the process of making a distinction in favor of, or against a person or persons on the basis of race or ethnicity, creed, color, gender, national origin, age, marital status, religious preference, life-threatening illness, the presence of any sensory, mental or physical disability, reliance on public assistance, sexual orientation, status as a disabled or Vietnam veteran, or political opinions or affiliations.

Harassment - Harassment is defined as unwanted behavior or action, either physical or verbal, which is directed at any individual or group on the basis of race or ethnicity, creed, color, gender, national origin, age, marital status, religious preference, life-threatening illness, the presence of any sensory, mental or physical disability, reliance on public assistance, sexual orientation, status as a disabled or Vietnam veteran, or political opinions or affiliations.

Harassment includes verbal and written comments, slurs, jokes, innuendoes, cartoons, pranks, and all other physical or non-physical conduct or activity that can be construed as derogatory, intimidating, hostile, or offensive and is unwelcome, unwanted, or unwanted. Harassment is conduct or behavior that is pervasive in nature and is generally continued over a period of time to the extent that it creates a hostile environment.

When students or employees of Olympic College feel that they have been harassed or discriminated against in accordance with the above definitions, they are encouraged to utilize the following complaint procedures.

Step 1: Informal complaints may be addressed at several levels. The options for a student or employee may include:

- Direct Request: Students or employees who believe they are experiencing (have experienced) harassment/discrimination are encouraged to make a direct request of the offender to stop the offensive behavior.
- Process Facilitators: Process facilitators are designated individuals who have been trained to deal with harassment/discrimination issues and who have a thorough knowledge of Olympic College’s complaint procedures. Responsibility may include any or all of the following:
  - If the student or employee is uncomfortable in making a direct request or feels that such a request is inappropriate, s/he may meet with one of the process facilitators to discuss the incident(s) in a receptive and confidential manner.
  - The facilitator will gather information regarding the basis of the complaint and will discuss the options available. The facilitator will inform the complainant that retaliation against the complainant is prohibited. The facilitator will also inform the person to whom the complaint is directed that retaliation against the complainant is prohibited.
  - The facilitator may meet with the parties involved to facilitate a resolution that is satisfactory to these parties. The facilitator will document all meetings and keep a record for a period of three years or send documentation to the Equal Opportunity Officer.
- Supervisor or Instructor: A student or employee may directly contact the immediate supervisor (future references to the supervisor indicates instructors for student-to-student complaint) of the person to whom the complaint is directed and inform the supervisor of the offensive behavior(s). The complainant may request that a facilitator accompany him/her to the meeting with the supervisor. The supervisor will inform the complainant that retaliation against the complainant is prohibited. The supervisor will also inform the persons to whom the complaint is directed that retaliation against the complainant is prohibited.
- The supervisor or the supervisor and facilitator may facilitate a resolution acceptable to all parties involved. Upon resolution of the complaint, the supervisor will document the meeting and send a copy to the Equal Opportunity Officer.
- If the incident is not resolved, the supervisor will submit a notification to the Affirmative Action Officer immediately.

Step 2: If not satisfied by the results of step 1, the complainant may request a meeting with the College’s Equal Opportunity Officer. The Equal Opportunity Officer will arrange a meeting with the complainant, interview the alleged offender and necessary witnesses, and report the findings to the college President. The Equal Opportunity Officer will make an attempt to find a resolution that is acceptable to both parties.

Step 3: If the complaint is not resolved as a result of the efforts of the Equal Opportunity Officer, either the complainant or the person to whom the complaint is directed may request a meeting with the college President. The President may meet with the one who called the meeting or both parties. Final decisions for resolution rests with the college President. No further intra-institutional appeal exists.

Students confronted with inappropriate behavior not meeting the above definitions for discrimination/ harassment should contact the Vice President of Student Services; employees should contact their supervisor or Human Resource Services for guidance.

Adopted by the Board of Trustees 1993, revised 2005.

**Sex Offender Notification Policy**

**Preamble**

Olympic College considers the protection of our community from sex offenders to be a matter of significant importance. The 1990 Community Protection Act allows the college to provide notice to the community concerning sex offenders who are, or will be attending classes or working on the campus, and to assist our community members in developing constructive plans to prepare themselves and their children for residing near released sex offenders.

Pursuant to RCW 4.24.550 Olympic College is authorized to notify the college community when information is received that a registered sex offender may be expected on or near the college campus, including off-site buildings and associated college activities. Information that is relevant and necessary to protect the public and to counteract the danger created by a particular offender may be released pursuant to RCW 4.24.550.

The extent and content of the disclosure of relevant and necessary information shall be related to:

- The level of risk posed by the offender to the community;
- The location where the offender resides, expects to reside or, is regularly found; and
- The needs of affected community members for information to enhance their individual and collective safety.

**Purpose of Notification**

An informed public is a safer public. Notification is not intended to increase fear. Sex/child offenders have always lived in our communities. The purpose of the Community Protection Act of 1990 was to assist local law enforcement agencies to protect communities by providing relevant and necessary information. By providing the public adequate notice and information, community members can develop constructive plans to prepare themselves and their children for the offender’s release.

The Department of Corrections, the Juvenile Rehabilitation Administration, and the Indeterminate Sentence Review Board are required to classify all sex offenders released from their facilities into levels of risk (low, moderate, or high). These agencies then issue to appropriate law enforcement agencies narrative notices regarding the pending release of sex offenders. The narrative notices describe the identity and criminal history behavior of the offender and shall include a risk level classification for the offender. Upon receiving a narrative notice, local law enforcement agencies review all available information and assign risk-level classifications to all sex offenders about whom information will be disseminated for the purpose of community notification.

The Safety and Security office maintains records of sex offenders who have been brought to the attention of Olympic College by the Kitsap and Mason County Sheriff’s offices. The Kitsap County Sheriff’s Office maintains an online registry of Level II and Level III sex offenders who are registered to live in Kitsap County at www.icrimewatch.net/results.php?AgencyID=54474&SubmitAllSearch=1.

For Level II and III Sex Offenders registered in Mason County, go to: www.icrimewatch.net/index.php?AgencyID=54478&disc=

Using this public information to threaten, intimidate or harass sex/child offenders will not be tolerated by Olympic College.

**Immunity**

Public employees and/or public agencies are immune from civil liability for damages for any discretionary risk level classification decisions or release of relevant and necessary information, unless it is shown that the official, employee, or agency acted with gross negligence or in bad faith [RCW 4.24.550(7)].

**Level I**

The vast majority of registered sex offenders are classified as Level I offenders. They are considered at low risk to re-offend. These individuals may be first time offenders and they are usually known by their victims. They normally have not exhibited predatory type characteristics and most have successfully participated or are participating in approved treatment programs.

Level I offenders are generally not the subject of general public notification. The extent and types of notifications for Level I sex offenders may be adjusted on a case-by-case basis, but the college community and Level I sex offenders can generally expect the following types of notifications to be made:

- Security Services
- President
- Vice Presidents
- Executive Director of Human Resource Services
- Branch Campus Directors
- Campus child care centers
- Any individual college community member upon request

**Level II**

Level II offenders have a moderate risk of re-offending. They generally have more than one victim and the abuse may be long term. These offenders usually groom their victims and may use threats to commit their crimes, and they have a higher likelihood of re-offending than the Level I offenders. They are considered a higher risk to re-offend because of the nature of their previous crimes(s) and lifestyle (drug and alcohol abuse and other criminal activities). Some have refused to participate or failed to complete approved treatment programs. Typically these individuals do not appreciate the damage they have done to their victims.

Washington State law may allow the Public Disclosure of Level II Registered Sex Offenders under certain conditions. Level II notifications including relevant, necessary and accurate information may be disclosed to public and private schools, child day care centers, family day care providers, businesses...
and organizations that serve primarily children, women or vulnerable adults, and neighbors and community groups near the residence where the offender resides, expects to reside, or is regularly found.

Level II offenders are generally not the subject of general public notification. The extent and types of notifications for Level II sex offenders may be adjusted on a case-by-case basis, but the college community and Level II sex offenders can generally expect the following types of notifications to be made:

- All who receive Level I notifications
- Faculty and staff in whose program and/ or course the student is enrolled
- Tutoring Center, child care, posting on bulletin boards, including security office

Level III

Level III offenders are the greatest risk to the community. Most are predatory, have other violent crime convictions, refused treatment and are known substance abusers. Community notification is the most extensive.

Washington State law permits notifications about Level III offenders that include relevant, accurate and necessary information. This information is permitted to be disclosed to the public at large. The extent and types of notifications for Level III sex offenders may be adjusted on a case-by-case basis, but the college community will receive the following notifications:

- All college employees via internal mail/e-mail
- College bulletin boards
- Faculty in whose course the Level III sex offender is enrolled
- Students attending classes in which the Level III sex offender is enrolled

Olympic College has also developed specific procedures that assist in notifying the campus community of sex offenders on campus. According to these procedures, the Vice President of Student Services:

- Reviews all relevant and necessary information provided by law enforcement personnel and the office of Safety and Security; assesses the safety issues posed for students, employees, and all minors on campus.
- Interviews all Level III sex offenders attending Olympic College, as well as enrolled Level I and II sex offenders who are known to be attending Olympic College or for whom local law enforcement agencies have provided notice to the college.
- Releases the identity and information, according to the above guidelines.

The Kitsap County Sheriff’s Office maintains an online registry of Level II and III Sex Offenders who are registered to live in Kitsap County at www.icrimewatch.net/index.php?AgencyID=54474&disc=

The Mason County Sheriff’s Office maintains an online registry of Level II and III Sex Offenders who are registered to live in Mason County at www.icrimewatch.net/index.php?AgencyID=54479&disc=

OC expects that students will conform to the laws of the greater society and regulations established to assure the orderly conduct of the affairs of the college.

The student is at once a member of the community at large and the college community. As such, the student is subject to the rights, responsibilities, laws, and regulations of each community and accountable to both.
