#### NOTE TO STUDENTS:
**Common Course Numbers & Titles**
To make it easier for students to transfer credits among the State’s 34 community and technical colleges, some courses are numbered and titled in a similar way at every community college in the state.

Courses that have been identified as Common Course Numbers have an "&" in the course number, for example: ENGL& 101.

Many courses without an "&" also transfer between two-year and four-year colleges.
