Policies and Procedures

Admission, Registration and Graduation Appeals Committee

The Admission, Registration and Graduation Appeals Committee (ARGAC) is advisory to the Dean of Enrollment Services and generally meets once each quarter or as needed. The ARGAC objective is to facilitate the decision-making process as it relates to uncertain requirements or unique circumstances in regard to student admission, registration and graduation.
Policies and Procedures

- Admission: To review all aspects for the admission of students to OC, its programs and courses, including the appeal of admission decisions.
- Registration: To review problems related to student registration or enrollment in courses.
- Graduation: To review situations regarding the waiver and/or substitution of specific graduation requirements for all degrees and certificates awarded by OC.

Process

To begin the process, a student must submit a completed "Registrar’s Petition" form to the Dean of Enrollment Services. The request should be specific and may include supportive documents or statements from appropriate people and sources. The student should consult with Registration and Records Office staff regarding appropriate times to submit an appeal in any given quarter. The Dean of Enrollment Services may approve or deny the petition. If the petition is denied, the student has the option to request the petition be forwarded to the ARGAC for review. The ARGAC decision is final.

NOTE: Grade appeals follow a different procedure (see “Grade Appeals” in this catalog).

Course Substitutions for Students with Disabilities

OC recognizes that certain disabilities may preclude a student from successfully completing a specific course requirement for a degree, even with appropriate accommodations. In those cases, the college will consider course substitutions when they do not compromise the integrity of the academic program. Under the Americans with Disabilities Act, the college is not required to waive essential requirements of a student’s program of instruction. Therefore, every student enrolled in a degree program must meet the essential requirements of that program. In the case of substitution requests, the college understands that any such substitution must not weaken the curriculum, but rather expand the opportunities available.

OC also recognizes that altered methods of course delivery and/or the use of accommodations will enable most students with disabilities to successfully complete course requirements, except in unusual circumstances. Therefore, the student is encouraged to attempt successful completion of the required course and/or prerequisites with accommodations. Course substitution may be requested with the petition. The response shall include a brief summary of the basis for the decision.

Alcohol/Drug-Free Environment

Per WAC 132c-120, any student shall be subject to immediate disciplinary action who, either as a principal actor or aider or abettor:
- Is found to be using, possessing, being demonstrably under the influence of, or selling any narcotic or controlled substance as defined in chapter 69.50 RCW as now law or hereafter amended, except when the use or possession of a drug is specifically prescribed as medication by an authorized medical doctor or dentist. For the purpose of this regulation, “sale” shall include the statutory meaning defined in RCW 69.50.410 as now law or hereafter amended.
- Is found to be demonstrably under the influence of any form of alcoholic beverage. Possessing or consuming any form of alcoholic beverage on college property, with the exception of sanctioned events, approved by the President or his or her designee and in compliance with state law.

Adopted by Board of Trustees 3/23/2004, Revised 8/24/2010

A Special Note about Marijuana:
In November 2012, Washington voters adopted Initiative 502, which legalizes small amounts of marijuana for personal use. Despite passage of this law, OC’s policies prohibiting the use of marijuana at the college remain in full force and effect.

While the state has decriminalized possession and use of small amounts of marijuana in private, it is important to understand that (1) public use of marijuana is punishable as a civil infraction under the new law, and (2) OC’s pre-existing student conduct code and employment policies remain unchanged. They prohibit the manufacturing, distribution, dispensation, possession or use of a controlled substance, including the possession or use of any amount of marijuana on campus.

Continued enforcement of policies prohibiting the use of marijuana at the college is necessary; in part, for OC to comply with the federal "Drug Free Schools and Communities Act," 20 U.S.C. §1011, which makes the receipt of federal funding contingent upon the college certifying that it has adopted and implemented drug free campus programs and policies for its students and employees. Because the possession and use of any amount of marijuana continues to be a criminal offense under federal law, OC must prohibit its possession and use, or risk jeopardizing its federal funding which includes financial aid, contracts and grants.

Non-Discrimination Policy

Olympic College is committed to the principle of equal opportunity in education and employment. Harassment and/or discrimination directed toward any individual or group on the basis of race; color; national origin; sex, including pregnancy; genetic information; honorably discharged veteran or military status; age; religious preference; creed; sexual orientation; gender identity; or the presence of any sensory, mental, or physical disability or the use of a trained dog guide or service animal by a person with a disability; status as a disabled or Vietnam-era veteran; or political opinions or affiliations: or any other population designated by statute is a violation of the mission and purpose of Olympic College and will not be tolerated. The College is committed to preventing and stopping discrimination, including harassment, on any of these unlawful bases, and any associated retaliatory behavior. All employees and students shall be allowed to work and learn in an environment free from discrimination.

A.) This policy is based on the principle that all forms of harassment and/or discrimination are unacceptable and will be dealt with promptly and effectively. Students, faculty or staff who are determined to have violated this policy (following investigatory proceedings) are subject to disciplinary action up to and including termination of employment and permanent dismissal (students).
B.) Applicants for admission or employment or any employees, students, or participants in College activities or programs who believe that they have been discriminated against may pursue an institutional complaint and/or may pursue other remedies provided by law.

Responsibility

A.) The President of the College, and all administrative employees, shall have ultimate responsibility for overseeing compliance with this policy at his or her respective unit of the College.
B.) In addition, each vice president, executive officer, administrative officer, faculty member or other person with supervisory responsibility shall be required to report any complaint of discrimination, sexual harassment, or any harassment that violates this policy.
C.) All members of the College community are required to cooperate in any investigation of the discrimination/harassment complaint.

Complaint Procedure

Persons who believe that they have been the subject of unlawful discrimination or harassment are encouraged to bring such issues to the attention of their supervisor, instructor, or Human Resource Services, or follow the established complaint procedures.

- Published in Washington Administrative Code

Grievance Procedure For Students with Disabilities

OC has adopted an internal grievance procedure providing for the equitable resolution, within a reasonable time, of complaints by students with disabilities alleging violations of their rights under the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973. All requests for access, accommodation, and academic adjustment should first be brought to the Office of Access Services (AS). If the student believes that a faculty member, an office or a program has refused to provide an accommodation in accordance with notice from AS, the student should first request the assistance of the AS Director in resolving the complaint. If the complaint
cannot be resolved in this manner, or if it involves the AS Office, the student has the right to appeal through the following procedure:

- Submit a written appeal to the Vice President of Student Services, which should include:
  - The nature of the disability, with an explanation of its current impact and functional limitations in the academic setting;
  - Details of the reasonable accommodation being requested; and
  - A description of any/all accommodations provided or offered by the college and an explanation of why these accommodations are insufficient or ineffective.

- The Vice President of Student Services shall investigate the grievance and issue a written determination, which will specify resolution of the matter. Such written determination shall ordinarily be issued within 14 days of the filing of the grievance. Circumstances which may prolong the response of the Vice President include: the intervention of a quarter break and other such circumstances which may render unavailable persons necessary to an appropriate resolution of the complaint.

- In addition to the above described appeal process, any student who believes that he or she has been discriminated against on the basis of disability may file a formal discrimination complaint with the ADA/504 compliance office. OC has adopted a Grievance Procedure, Policy # 200-05, that provides for prompt and equitable resolution of complaints alleging discrimination. Excerpts of the policy are published in this catalog and may also be obtained from the Office of Human Resource Services on the fifth floor of Bldg. 5 (SCC) at O Bremerton.

Students also have the right to file a complaint with the U.S. Department of Education and/or seek other legal remedies under state and federal law. The Department of Education requires complaints of discrimination to be filed within 180 days of the last known incident of discrimination. For further information regarding external complaint mechanisms, please refer to the RCW 288.10.910 through RCW 288.10.914 and the Washington Law against Discrimination, RCW 49.60.

The student must sign the request, describe the specific records to be reviewed and set forth the name under which the student attended the college, the social security number or student identification number, and the student’s last date of attendance. Proper picture identification must be presented before the documents may be reviewed.

The Registrar will make the needed arrangements for access as promptly as possible and advise the student when and where the records will be available for inspection. Access will be given as soon as practical but no later than 45 days after receipt of the written request.

Student records will be maintained according to the retention policy set out by the State Board for Community and Technical Colleges.

Limits on rights to review, inspect, or obtain copies of education records:

- Confidential letters and statements placed in the education record except when these documents have been used for any purpose other than that for which they were originally intended;
- Records that contain information about other students;
- Documents excluded from the FERPA definition of education records.

### Refusal to provide copies
The college reserves the right not to provide original transcripts it has received from other education institutions. It also reserves the right to deny copies of college transcripts if the student has an unpaid financial obligation to the college.

### Mailed copies
If health reasons or extreme distance from the college prevents the student from inspecting the education record, then copies of the specific education record requested will be mailed to the student. The student must pay all copying and mailing expenses in advance of the release of the record. Official copies of the college’s transcript for the student shall be provided at the fee listed in the current catalog. All other copies shall be made at a cost of $.30 per page copied. Sex Offender Notification Policy – Summary

Preamble
Olympic College considers the protection of our community from sex offenders to be a matter of significant importance. The 1990 Community Protection Act allows the college to provide notice to the community concerning sex offenders who are, or will be attending classes or working on the campus, to assist our community members in developing constructive plans to prepare themselves and their children for residing near sex offenders. Pursuant to RCW 4.24.550 Olympic College is authorized to notify the college community when information is received that a registered sex offender may be expected on or near the college campus, including off-site buildings and associated college activities. Information that is relevant and necessary to protect the public and to counteract the danger created by a particular offender may be released pursuant to RCW 4.24.550.

The extent and content of the disclosure of relevant and necessary information shall be related to:

- The level of risk posed by the offender to the community;
- The location where the offender resides, expects to reside or, is regularly found; and
- The needs of affected community members for information to enhance their individual and collective safety.

Purpose of Notification
An informed public is a safer public. Notification is not intended to increase fear. Sex/kidnap offenders have always lived in our communities. The purpose of the Community Protection Act of 1990 was to assist local law enforcement agency efforts to protect communities by providing relevant and necessary information. By providing the public adequate notice and information, community members can develop constructive plans to prepare themselves and their children for the offender’s release.

Immunity
Public employees and/or public agencies are immune from civil liability for damages for any discretionary risk level classification decisions or release of relevant and necessary information, unless it is shown that the official, employee, or agency acted with gross negligence or in bad faith [RCW 4.24.550(7)].

Level I
The vast majority of registered sex offenders are classified as Level I offenders. They are considered at low risk to re-offend. These individuals may be first time offenders and they are usually known by their victims. They normally have not exhibited predatory type characteristics and most have successfully participated or are participating in approved treatment programs.

Level I offenders are generally not the subject of general public notification. Expect the following types of notifications to be made: Security Services, President, Vice Presidents, Executive Director of Human Resource Services, Branch Campus Directors, Campus child care centers, Any individual college community member upon request.

Level II
Level II offenders have a moderate risk of re-offending. They generally have more than one victim and the abuse may be long term. These offenders usually groom their victims and may use threats to commit their crimes, and they have a higher likelihood of re-offending than the Level I offenders. They are considered a higher risk to

re-offend because of the nature of their previous crime(s) and lifestyle (drug and alcohol abuse and other criminal activity). Some have refused to participate or failed to complete approved treatment programs. Typically these individuals do not appreciate the damage they have done to their victims. Washington state law may allow the Public Disclosure of Level II Registered Sex Offenders under certain conditions. Expect the following types of notifications to be made: All who receive Level I notifications, faculty and staff in whose program and/or course the student is enrolled, Tutoring Center, child care, posting on bulletin boards, including security office.

Level III
Level III offenders are the greatest risk to the community. Most are predatory, have other violent crime convictions, refused treatment and are known substance abusers. Community notification is the most extensive. Washington state law permits notifications about Level III offenders that include relevant, accurate and necessary information. [T]he college community will receive the following notifications: All college employees via internal mail/e-mail, College bulletin boards, faculty in whose course the Level III sex offender is enrolled, Students attending classes in which the Level III sex offender is enrolled.

Olympic College has also developed specific procedures that assist in notifying the campus community of sex offenders on campus. According to these procedures, the Vice President of Student Services:

- Reviews all relevant and necessary information provided by law enforcement personnel and the office of Safety and Security; assesses the safety issues posed for students, employees, and all minors on campus.
- Interviews all Level III sex offenders attending Olympic College, as well as enrolled Level I and II sex offenders who are known to be attending Olympic College or for whom local law enforcement agencies have provided notice to the college.
- Releases the identity and information, according to the above guidelines.

The Safety and Security office maintains records of sex offenders. The Kitsap County Sheriff’s Office maintains an online registry of Level II and Level III sex offenders who are registered to live in Kitsap County at icrimewatch.net/search2.php?AgencyID=54474.

For Level II and III Sex Offenders registered in Mason County, go to icrimewatch.net/index.php?AgencyID=54479&disc=

Using this public information to threaten, intimidate or harass sex/kidnap offenders will not be tolerated by Olympic College. For more information please contact Safety & Security at 360-475-7800.

IMPORTANT NOTE: All registered sex offenders should contact the office of the VP for Student Services prior to registering for classes at 360-475-7473 to arrange a meeting.

Student Conduct Code – Summary, WAC 132C-120-010

Statement of Purpose
Olympic College (OC), as a state supported institution of higher education, has a mission of providing excellence of instruction, responsiveness to community and individual needs, and open communication in a collegiate atmosphere to citizens of Kitsap and Mason counties. Sharing responsibility for this common mission, students and college personnel are joined in a voluntary college community.

Admission to OC carries with it the expectation that students will conduct themselves as responsible members of the college community, that they will comply with established rules and regulations of the college, maintain high standards of honesty and integrity, and respect the rights, privileges, and property of other members of the college community. OC expects that students will conform to the laws of the greater society and regulations established to assure the orderly conduct of the affairs of the college.

The student is at once a member of the community at large and the college community. As such, the student is subject to the rights, responsibilities, laws, and regulations of each community and accountable to both.
