

Message from the President

Welcome to Olympic College!

Greetings Fellow Olympic College Rangers,

Congratulations on your decision to attend Olympic College, we are excited that you have chosen to join us! In fact, I recently joined OC myself. I was hired in December 2017, and I consider it a tremendous honor to be a part of this college, which has served Kitsap and Mason counties for more than 70 years.

From the moment I began here at the college, the one thing that has stood out to me is the people. No matter where I go, or who I talk to, I always hear stories about friends and family members who attended OC. It is clear that OC truly is an integral part of this community.

These are excellent times to be a part of OC. This past year, we opened new facilities at each of our campuses in Bremerton, Poulsbo and Shelton. In Bremerton, the College Instruction Center provides a state-of-the-art home for our art, music, digital filmmaking, physical therapist assistant, and nursing assistant programs. The new building at our Poulsbo campus provides more space for our growing partnership with Western Washington University. At our Shelton campus, the recently completed John Bremer Welding Center allows us to increase access to a program that is resulting in good paying jobs for graduates in Mason County and beyond.

Regardless of which program or pathway you choose, know that our dedicated faculty and staff are ready and waiting to assist you. We look forward to serving you this year, as you work towards reaching new heights at Olympic College.

Thank you,

Marty Cavalluzzi, Ph.D.
President, Olympic College
