Need help with writing? We are here for you!

FREE to all OC students, faculty, and staff.

“While taking two English classes, I frequently met with the tutors trying to improve my writing skills. Overall, my writing has improved at least 80%...” – Richard Everhart

What we do:

• Help students become better writers.
• Assist students with the writing process, including understanding assignments, brainstorming, and reviewing drafts.
• Provide hand-outs for various types of essays, documentation, and even grammar and punctuation.
• and more!
