GLOBAL NIGHT

To celebrate 2017 International Education Week at Olympic College, the Office of International Education & Study Abroad, and the Multicultural and Student programs proudly sponsored and organized the Annual Global Night. The event was an extraordinary opportunity for attendants and team members to learn and appreciate the culturally diverse community at OC, including traditional fashion show, and cultural performances with songs, music, dance, and more. Students and staff who come from various diverse backgrounds cooperated with each other to represent their own distinctive culture and provided us a wonderful show. We would like to take this opportunity to thank everyone who came out to support the Annual Global Night. We appreciate the time, effort, and skills of the team members. The student performing groups were excellent and the audience turnout was great. Thank you very much to the host families who came and support their homestay students. We are very grateful for every help and support that we have received from the beginning. We would also like to thank all the departments in Olympic College that was involved with the event. -Truc & Afiq

BOWLING FUN TIME!

On December 1st, International Club held a bowling event at All Stars Casino and Lanes in Silverdale. It was a fun session for us because finals was just around the corner. As Most of us wanted to relieve the stress, we participated in the bowling event. Everyone had fun especially those who scored strikes during the game. We also had pizzas and soft drinks served. Some enjoyed the food while some enjoyed the games. Most importantly, everyone enjoyed spending time together. It was a memorable experience and I hope more club members can enjoy the events in the future! -Afiq
