A. Special Order –

- Volunteer Club-** This club’s goal is to find appropriate avenues to create involvement on campus and in the community. They would like to fundraise and help causes. They were told that they have to do things on the campus. They will assist where needed to build a coalition of students to improve the campus community. They want to build a student community and overall be helpful. A question was raised as to whether they would be assisting the satellite campuses. Right now their focus is Bremerton campus. Roberta may send them resources from social justice assignment. Motioned by Nic to approve Charter, seconded by Katrina.

Katrina has arranged a couple of options to be discussed. Out of the 2,100 budget for student appreciation on the 17th, we will set aside \$500 to cover all the cups and the candy as well. It was decided that the deadline for nominations will be May 5th, so we are still able to mail out the nomination letters. Motioned to approve earmarking of \$500 by Nic. Seconded by Suzy.

C. Information –

- **Homelessness Night** – Homelessness is increasingly becoming a problem at the campus. Shannon wants to have another night to raise awareness. It'll be warmer, so it might be a better event. He has talked to SING and wants to bring awareness. It was asked how we could adapt this to Shelton. Suzy is aware of at least a single currently homeless student. There will be more discussion on this topic. So far it is well received.
