Shannon will also be requesting funds from the OC Foundation to help cover the cost. Several people will be recognized during the event as well. Later Discussion needed.

B. New Business –

- **Constitution**
Shannon and Matt having looking to over the constitution and would like to change the max term limit from two years to four years. It will still need to go through the student body for a vote. A special election would be needed because the SGOC elections are too soon.
Also, Shannon would like to remove the Student Success and Resources position because the position can be divided between the VP of Student Life and Communications.
- **Student Appreciation Day**
May 16th. Working to get transportation for Shelton. Good games and prizes. Student Awards night will be held on May 30th.
- **Military Cook Off**
May 5th, from 10am to 5pm. The culinary department will open up to the military and have a cook-off. City Council, the Mayor, and community members will be attending.
- **SGOC Move**
IT will be coming in to look at the computers to see if they can match up our networks. The printer in the SGOC office needs to stay because it is leased and when the lease is up, it will not be renewed. Instead, the SGOC is planning to purchase a new printer to save in overall costs.
In the new space, John is concern because having Dan's office in the same area as the SGOC. Dan is also the in charge of student code of conduct, and privacy for students could be compromise. Kyra expressed that students that need to use the Food Bank would have to walk through the BSC twice; once to get the items and another to get their belongings from the SGOC office. This could cause more stress on students in need. Discussion at a later date.
