B. New Business –

- **ASGA Florida:** Registration is \$1,600. Hotels will be \$2,000. The total cost will be around \$10,000. Associated Student Government Association. There will be Per Diem of about \$150 per person. We are a part of the ASGA group which means we receive discounted tickets. This is a Student Government leadership training. It was a very beneficial trip when we went last year in LA. Most of the officers believed that they wish it was attended earlier in the year. Because of this we are setting this up now so we are able to give a good foundation to the new team. There is a concern that the trip to Universal might not be a good use of funds. The current team wants it to be very clear that there isn't a whole lot of time for things for fun and that enjoying the experiences is very important. We are going to hold off on decisions for what we are going to do with our off hours while on this trip. The new team will decide what to do, but the vote will be on the over-all price of the trip. The camp Zion trip was around \$800 dollars.

C. Reports of the Student Government of Olympic College

- **SGOC President: Drayton Jackson** – There was a conference call meeting with Seattle Pride organization. They are making sure everything is square. They are putting together a book of those participating. Student housing is still being discussed. The building is being worked on for housing. The question is whether it's going to be a student only building or if it will be open to all. They think the building might be up by next Summer. Tomorrow is a meeting about the student center. There's a lot of happy people. It's recommended to talk to Mike Mackenzie.
- **SGOC Executive Vice President: Nic Shakley** – Working on making sure all the forms are up to date for the new officers. Has a running list of all the students attending Pride.
- **SGOC Vice President of Finances and Operations: Stephen Lavoie** – Graduated from High School!!! Going back and forth with Duplicating so the budget book is formatted correctly. Finishing up the position book. Getting the Shared drive folder set up for Jayne.
- **SGOC Vice President of Student Life: L'Marie Davis** –
- **SGOC Vice President of diversity and Equity: Katrina Lund** – This week has been insane. Working with Nic to get the Pride stuff under control. We are working this week to get the invitation out to the student to Kitsap Pride. She is working on getting out the 20 days of pride that is put out by local Pride organizations. Working on the charity Drag Show to bring scholarships to students. Working with Kitsap Pride and the Q center for the candle light vigil at Evergreen park.
- **SGOC Vice President of Public Relation: Ethan Eddy**- Connecting with Shawn Devine to be able to do the web author training. Has been trying to read through all the old minutes to figure out where. Has a statement in response to the Orlando shooting. We had a small issue with trying to get an email sent out to all students. There was a bit of a kick back from Sue Riddle saying it must receive approval from Faviola before she sends it out.

- **SGOC Vice President of Poulsbo: Rylie Tallant** – Has a back flare up and was unable to do her last event. Feels a little upset about what is going on on her campus but is moving ahead. Everything is going well and the campus is quiet.
- **SGOC Vice President of Shelton: Susan Ronald**- Glad to see Suzy on the View. In Finals week. Things are closing. She bought pizza the other day and was happy to see how well it was received. The students appreciated it. The students are very upset about losing one of their people at the campus. The person lost was very important to the function of the campus. The person was in the position for 18 years and has been a huge resource. Suzy has had to filter a lot of the emotions being felt. The campus feels that the lost employee is the college shooting themselves in the foot. Got 100 on their last final!
- **SGOC Advisor: Faviola Barbosa**- There is a meeting tomorrow with the architect for the Rec Center at 1:30. Starting to lay out the new year with the new team.

D. Open Floor:

- Huge thanks to Faviola and Julie for all of the super hard work that they have done. Faviola would like to thank the team as well for the team sticking it out long enough for everything to work out.
- Everyone needs to attend the BOT meeting. Drayton will be handing over the seat over to Shannon. He wants to share the love with the team as well as introducing the new team. Wants to make it nice and clean.
- The funding for the student building may need an emergency meeting called. Depending on what happens during the meeting tomorrow will determine how we move forward
- In these next three weeks there will be people who want us to take a stand on the cuts that are being made. Drayton is asking for officers to take a step back from it. He wants the officers to stay out of the politics.
- Thanks to the standing crew!
- We would like to start a tradition of passing on the gavel to the new head of the Executive Council
- A thank you from Shannon to the current student government. Shannon accepts the honor of the President Title.
