A. New Business –

- Appointment of VP of Public Relations and Communications:** Destiny Tonstad previously worked in the Foundation office with David Emmons. Working on a public relations classes and does digital media. Previously she had applied to the Student Life position and we felt that the Student Life position was not a right fit. Upon the resignation of the previous PR officer, we felt that Destiny Tonstad would fit the PR position well. She has a glowing recommendation from David Emmons and she has previous experience with the Student Government. Destiny Tonstad has been a student at OC for 3 years. She graduated last year with her AA and will be working on the bachelor program of organized leadership. Has experience working with organizations in the community and with organizing events. Katrina Lund made the motion to appoint Destiny Tonstad as PR and C. Nic Shakley seconded.

B. Reports of the Student Government of Olympic College

- **SGOC President: Shannon Turner** – The last event he went to was Kitsap Pride. It was a great success. We had an OC table present. There was a great turnout. On the same day was the ‘Veteran Stand Down’. The Veteran’s club from Olympic College was present and provided good representation. Has started making connections in North Kitsap. The Veteran’s club had a BBQ on campus that had nearly 200 people pass through. There were other functions, one was in Poulsbo that highlighted the homeless issue. They are putting together an advisory committee with SGOC being offered a position on the committee. There is a person that wants to offer rooms for homeless families and it’s in the works for September. Has reached out to KCR to have an on the spot resource center in the Bremer Student Center. Wants to reach out to the satellites to get them involved there as well.
- **SGOC Executive Vice President: Nic Shakley** – Had a great time managing the paperwork for Seattle Pride. Excited to be back in office to move forward with plans for the upcoming year. Looking forward to working with the new team in continuing projects into the upcoming academic year.
- **SGOC Vice President of Finances and Operations: Jayne Barton** – Going over the accounts that rolled over to see what got rolled over. One thing that will be implemented will be the quarterly reports for clubs and programs. We are looking at more budget cuts so knowing what the students are doing. There are percentage budgets but there are no contracts. We will explore that and see what we can find.
- **SGOC Vice President of Student Life: Kyra-Marie Skibbe** –
- **SGOC Vice President of Diversity and Equity: Katrina Lund** – Has been a part of a few events. With the help of Nic Shakley, they were able to advertise and get the word out about the Veteran BBQ. Attended the Stand Down event and was providing resources to women veterans. Felt it was a very good learning experience to pick up more resources and to know what kind of items are actually needed. There was a huge turnout at Kitsap Pride. Enjoyed the experience. Has been invited to participate in LGBTQ leadership classes. Looking forward to the upcoming trip. Wants to host a summer event focused on hunger and parents. Will be posting resources for meals for kids. Moving forward with changing signs on bathroom doors with Cheryl Nunez and picking up demographic information. Will be hosting discussions on each of the campuses monthly to have open dialog between the campuses.
- **SGOC Vice President of Public Relation: VACANT-**
- **SGOC Vice President of Poulsbo: Austin Allbee** – Has been going to events and SGOC meetings and has been asking questions. Has accumulated a lot of knowledge. Has a plan to ask a lot of questions until he is able understand the positions.
- **SGOC Vice President of Shelton: Susan Ronald-** It’s good to be here. Since we weren’t able to work until Monday, she volunteered at the school last week because there were 6 different students who needed her specifically to use the foodbank. Students were able to be fed. Noticed some fliers that still say ASOC. She is revamping them with the Logo. Her volunteer internship is going fabulous. She is working with the HOPE garden project that works with at risk youth. She volunteers in the garden and teaches classes in floral design on Wednesdays. Giving youth skills

to be able to get jobs. She typically gets 7 different youth that comes to her. She gets high praise from the kids she gets to work with. Wants to bring in a speaker this Fall. Has previously spoke at OC Connect in Seabeck. Has a plan to put it on the agenda for the next meeting so professors can put it in their syllabus. Everyone would be invited. Going to work with Nic to get him up at Bremerton as well.

- **SGOC Advisor: Faviola Barbosa-**
