

Student Services

Vision

- Sponsor leadership development initiatives.
- Provide programming that encourages student success.
- Proactively guide students to navigate and access college and community-based programs and services.
- Provide academic advising, educational planning, and career exploration that support students.

Core Values

Integrity: We honor our commitments and strive to be honest, trustworthy, respectful, and ethical in our actions.

Respect: We believe that respect for others fosters a greater opportunity for understanding. Everyone in our community will be treated with dignity, regardless of thoughts, experiences, backgrounds, or perspectives.

Communication: We commit to communicating in ways that are respectful and transparent. We listen, speak, and communicate pertinent information and concerns in a clear and responsible manner.

Learning: We strive to adopt best practices in order to create a learning culture which promotes innovation, problem solving, and benchmarking. We recognize individual and group learning as prime means of achieving our mission and encourage continuous review, reflection, and improvement.
