Application Deadline August 31, _____

Retake policy: Grades below a 2.0 will not be accepted. If a student's second attempt at a course is below a 2.0, the student will not be considered eligible for application to the Olympic College ADN program.

Course reviews: all science courses taken from out of state universities/colleges (and the Evergreen State College) must go through the formal Course Review process. Please read the nursing FAQs for more information. Must be complete prior to the application deadline.

Please note, it is each applicant's responsibility to fully review and adhere to all steps of the application process.
