Even if the course(s) was from a non-accredited school, was taken for “no credit”, or is not applicable to nursing, you must submit ALL transcripts. You must provide an official transcript from each school you have attended; simply showing transferred courses on one transcript will not be considered.
     (check list continues on next page)
     iii. If you took Advanced Placement courses taken in high school, you must submit a copy of your scores
Part Two: Application Process

PROCEDURE FOR ADMISSION

Application to the Transition to Associate Degree Nursing Program is a separate process from the application to Olympic College. Enrollment in the Transition to Associate Degree Nursing Program is limited; therefore admission to Olympic College does not guarantee admission to the Transition to Associate Degree Nursing Program. **Formal application to the Transition to Associate Degree Nursing Program should be made when the applicant has completed or is registered for his/her last prerequisite course.**

The Transition to Associate Degree Nursing Application MUST be received NO LATER THAN August 31st of academic the year the applicant anticipates entering the Transition to Associate Degree Nursing Program. The program is open to men and women and is a fulltime program. The program admits students, **Winter quarter** only. Admission is based on a factoring system.

Admission Requirements

1) Fluency in the English language (reading comprehension and writing); a necessary requirement for licensure as a nurse.

2) Completion of the following prerequisite courses with a minimum grade of 2.0 in each course:
   - BIOL& 241*, BIOL& 242, BIOL& 260, CHEM& 121, ENGL& 101, PSYC& 100 or PSYC 102.

3) Achieve at least 96 on the Classic or 276 on the Next Generation Accuplacer Reading Comprehension Proficiency Test. Contact the Testing Center at [www.olympic.edu/accuplacer](http://www.olympic.edu/accuplacer) to schedule the Accuplacer Reading Comprehension Proficiency Placement Test. The Reading Comprehension Proficiency Test is required for all applicants regardless of background or previous degrees.

4) Current, unencumbered Practical Nursing License in the State of Washington.

*Olympic College students may fulfill the biochemistry prerequisite for BIOL & 241 by doing one of the following: Take CHEM& 131 OR take a placement test that will allow you to waive CHEM& 131. It is suggested that BIOL 201 be taken as preparation for passing this placement test. The placement test must be passed in order to register for BIOL & 241. To schedule a placement test, contact Karen Hanson at kosborn@olympic.edu or by phone at 360-475-6830.

The application and supporting documents must be received no later than August 31st.

Courses completed **summer** quarter with the required grade of 2.0 or better will be included in the student's file as required for winter admission consideration.

The applicant is responsible for verifying that all required documentation has been received by the Office of Admissions. Applications and transcripts received after August 31st will not be considered for admission to the program for that year. Applications will be reviewed in the order in which they are received.

Incomplete applications will not be accepted.
All application materials become the property of Olympic College. We are not responsible for email or fax error.

Course Review Process:
If you took your sciences, (inorganic and organic/bio-chemistry; anatomy and physiology I and II; microbiology) out-of-state, or from The Evergreen State College, you will need to provide the following via the online form or to the Nursing Programs Office via mail nursing@olympic.edu. Please keep all original documents for yourself, and turn in copies to the Nursing Programs Office.

Syllabi with lab component clearly listed and unofficial transcript showing the listed courses and grade received to the Nursing Programs Administrative Office.

- Inorganic Chemistry
- Anatomy and Physiology I and II
- Microbiology

**ALL course review documents must be submitted before the August 31st deadline**

Selection of Applicants
The following criteria will be used to determine acceptance into the Transition to Associate Degree Nursing Program:
1) Completion of prerequisite courses with a grade of 2.0 or higher: BIOL& 241, BIOL& 242, BIOL& 260, CHEM& 121, ENGL& 101, and PSYC& 100 or PSYC 102. **Factor points will only be awarded if completed by the August 31st deadline.**
2) Accuplacer Reading Comprehension Proficiency Test.

Additional Information
1) Admissions are granted for a particular quarter and year. Students not enrolling for the specific quarter and year (as noted in their letter of acceptance) **must** submit a new application for the Transition to Associate Degree Nursing Program by the August 31st deadline.
2) Students eligible for current year class but not admitted, **must** submit a new application for the Transition to Associate Degree Nursing Program by the August 31st deadline.
3) Students who have been offered admission into the Transition Associate Degree Nursing Program may be **required** to attend **mandatory** orientation sessions prior to the beginning of winter quarter.

**Students with Previous Associate Degree Nursing Education**
Students who have completed some formal nursing education must complete prerequisite coursework and meet grade requirements, and are required to enter in to the applicant pool. If accepted to the Transition to Associate Degree of Nursing Program, previous coursework may be reviewed to determine advanced standing.

**Access Support Services**
Olympic College is committed to providing access to higher education for students with disabilities. Any student with a permanent or temporary disability is encouraged to contact Access Support Services at (360) 475-7540 to discuss appropriate accommodations.

**Background Inquiry**
A National background inquiry completed by Certified Backgrounds is required to disclose any history of criminal record or abusive behavior (Child/Adult Abuse Information Act, RCW; 43.43.830 through 43.43.840). If the results of this information cause any clinical agency to deny you privileges to rotate through that agency, withdrawal from the Associate Degree Nursing Program will be required.

**Re-entering Olympic College Transition to Associate Degree Nursing Students**
Reentering Olympic College Transition to Associate Degree Nursing students must submit a Transition to Associate Degree Nursing Admissions Application and credential requirements to be eligible to re-enroll.

Fall/Winter Re-enter deadline is March 31st
Spring Re-enter deadline is August 31st

FACTORIZING SYSTEM

After the materials listed under Application Process (pgs 4-10) have been received, an admission score will be determined according to the following factoring system.

1) Cumulative GPA of Prerequisite Courses
   BIOL&241, BIOL&242, BIOL&260, CHEM&121, ENGL&101, PSYC&100 or PSYC 102
   Note: A minimum grade of 2.0 must be earned in each prerequisite course.

3) Roll-over (for applicants who are eligible but not accepted on their first attempt).
   The roll-over point will be awarded one time only.

   Applicants are ranked according to total number of factor points. In the event of a tie, the following tie breakers will be used:

   1st Tie Breaker: Combined GPA of prerequisite courses

   2nd Tie Breaker: Overall college-level cumulative GPA (all colleges attended)

Recommendations for Student Success:

1) Completion of one year each of high school algebra, biology, and chemistry or equivalents.
2) Work experience in the health care field (either paid or volunteer) is encouraged.

OFFICE OF ADMISSIONS TIMELINES

1) Transition to Associate Degree Nursing Admissions Application and all supporting documents must be submitted to the Office of Admissions by August 31st.
   - Completed Transition to Associate Degree Nursing Admissions Applications received after August 31st will not be considered for the upcoming cohort.
   - All students whose application materials (prerequisites and required documentation) are not complete will need to REAPPLY for next year's class.

2) Applicant files will be reviewed by the Office of Admissions. A letter is sent to applicants advising them of any missing documents. Applicants turning in applications within the last three weeks of August,
which are also missing documents are not guaranteed to receive notification from the Admissions Office prior to the application deadline. Any documents missing from your application packet will make your application ineligible for that year. Applicants must be eligible in order to receive a rollover point. Therefore, applicants are strongly encouraged to submit their application materials as soon as they are eligible to apply.

3) The Transition to Associate Degree Nursing Admissions Committee will meet after the deadline to determine the winter class for admission.

4) The admission letters for the TADN program will be sent via mail by the Admissions Department (not the Nursing Program). Students will receive notification of their status prior to the 3rd week of December.
   - **Between September 1st and December 20th**, please do not contact Admissions or Nursing regarding the status of acceptance letters.
   - **After December 21st** if you have not received notification of your status you may contact the Admission Department at 360-475-7206.

Eligible applicants who are not admitted, must submit a new application by the August 31st deadline for the following year. It is not necessary to resubmit official transcripts unless additional classes have been taken at institutions outside of Olympic College.
Part Four: Program Information

CLINICAL EXPERIENCES IN THE TRANSITION TO ASSOCIATE DEGREE NURSING PROGRAM:

The Olympic College Transition to Associate Degree Nursing Program includes clinical experiences in patient care at cooperating health care facilities.

The clinical agencies require students to provide evidence of the following prior to beginning clinical experiences.

1) Current immunizations, uploaded to and confirmed by Certified Background Check and Immunization Tracker;

2) Basic Life Support for Health Care Providers Certification (American Heart Association for the Healthcare Provider) must be **annually** updated while in the Associate Degree Nursing Program;

3) Non-refundable liability and malpractice insurance (must be purchased through Olympic College) is required; and

4) Proof of personal health insurance;

5) Learning module completion;

6) Completion of the Certified Background check within acceptable parameters of clinical agencies.

Please do not turn in documents pertaining to items 1-6 above with your application. It is recommended that all applicants wait to hear if they have been formally admitted into the Associate Degree Nursing program prior to starting on the documentation process.

Those applicants accepted into the Associate Degree Nursing Program, will be required to attend a mandatory orientation regarding the required documentation.

Applicants who have chronic health conditions or disabilities which require alterations to the program of study as approved by the Washington State Nursing Care Quality Assurance Commission, or which prevent the practice of Associate Degree Nursing with reasonable skill and safety, should be aware of the possibility that they may not be eligible to sit for the NCLEX licensing examination or obtain a license to practice Nursing. Questions should be addressed directly to the Washington State Nursing Care Quality Assurance Commission, Nurse Practice Advisor at (360) 236-4725.
# Student Health & Safety Requirement Checklist

For information purposes only. You will be required to obtain these items only after acceptance in to the program. **DO NOT fill out this form and return it with your application.**

## ADDED REQUIREMENTS (if applicable)

Students and Faculty will be informed prior to clinical experience if optional or additional requirements need to be met. May apply for individual clinical sites. Some healthcare settings may have additional requirements, such as the following: Vehicle Insurance (for access to VA & Military Facilities); Personal Health Insurance; Drug Screen; Hepatitis A Vaccine; Current First Aid Card; Proof of U.S. Citizenship; Color Vision Test; Passport; Birth Certificate.

ELIGIBILITY TO SIT FOR THE NATIONAL LICENSING EXAM FOR REGISTERED NURSES

1. Do you have a medical condition which in any way impairs or limits your ability to practice your profession with reasonable skill and safety? If yes, please attach explanation........................................

“Medical Condition” includes physiological, mental or psychological conditions or disorders, such as, but not limited to orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional or mental illness, specific learning disabilities, HIV disease, tuberculosis, drug addiction, and alcoholism.

If you answered yes to question 1, explain:

1a. How your treatment has reduced or eliminated the limitations caused by your medical condition.

1b. How your field of practice, the setting or manner of practice has reduced or eliminated the limitations caused by your medical condition.

Note: If you answered “yes” to question 1, the licensing authority will assess the nature, severity, and the duration of the risks associated with the ongoing medical condition and the ongoing treatment to determine whether your license should be restricted, conditions imposed, or no license issued.

The licensing authority may require you to undergo one or more mental, physical or psychological examination(s). This would be at your own expense. By submitting this application, you give consent to such an examination(s). You also agree the examination report(s) may be provided to the licensing authority. You waive all claims based on confidentiality or privileged communication. If you do not submit to a required examination(s) or provide the report(s) to the licensing authority, your application may be denied.

2. Do you currently use chemical substance(s) in any way which impair or limit your ability to practice your profession with reasonable skill and safety? If yes, please explain........................................

“Currently” means within the past two years.

“Chemical substances” include alcohol, drugs, or medications, whether taken legally or illegally.

3. Have you ever been diagnosed with, or treated for, pedophilia, exhibitionism, voyeurism or frotteurism?..................................................................................................................

4. Are you currently engaged in the illegal use of controlled substances?........................................

“Currently” means within the past two years.

Illegal use of controlled substances is the use of controlled substances (e.g., heroin, cocaine) not obtained legally or taken according to the directions of a licensed health care practitioner.

Note: If you answer “yes” to any of the remaining questions, provide an explanation and certified copies of all judgments, decisions, orders, agreements and surrenders. The department does criminal background checks on all applicants.

5. Have you ever been convicted, entered a plea of guilty, no contest, or a similar plea, or had prosecution or a sentence deferred or suspended as an adult or juvenile in any state or jurisdiction?....

Note: If you answered “yes” to question 5, you must send certified copies of all court documents related to your criminal history with your application. If you do not provide the documents, your application is incomplete and will not be considered.

To protect the public, the department considers criminal history. A criminal history may not automatically bar you from obtaining a credential. However, failure to report criminal history may result in extra cost to you and the application may be
delayed or denied.

a. Are you now subject to criminal prosecution or pending charges of a crime in any state or jurisdiction
........................................................................................................................................................................................................................................

  **Note:** If you answered “yes” to question 5a, you must explain the nature of the prosecution and/or charge(s). You must include the jurisdiction that is investigating and/or prosecuting the charges. This includes any city, county, state, federal or tribal jurisdiction. If charging documents have been filed with a court, you must provide certified copies of those documents. If you do not provide the documents, your application is incomplete and will not be considered.

b. If you answered “yes” to question 5a, do you wish to have decision on your application delayed until the prosecution and any appeals are complete? .................................................................

6. Have you ever been found in any civil, administrative or criminal proceeding to have: a. Possessed, used, prescribed for use, or distributed controlled substances or legend drugs in any way other than for legitimate or therapeutic purposes?........................................................................................................................................................................................................................................

b. Diverted controlled substances or legend drugs?........................................................................................................................................................................................................................................

c. Violated any drug law?........................................................................................................................................................................................................................................

d. Prescribed controlled substances for yourself?........................................................................................................................................................................................................................................

7. Have you ever been found in any proceeding to have violated any state or federal law or rule regulating the practice of a health care profession? If “yes”, please attach an explanation and provide copies of all judgments, decisions, and agreements? ........................................................................................................................................................................................................................................................................

8. Have you ever had any license, certificate, registration or other privilege to practice a health care profession denied, revoked, suspended, or restricted by a state, federal, or foreign authority?...............................

9. Have you ever surrendered a credential like those listed in number 8, in connection with or to avoid action by a state, federal, or foreign authority?........................................................................................................................................................................................................................................................................

10. Have you ever been named in any civil suit or suffered any civil judgment for incompetence, negligence, or malpractice in connection with the practice of a health care profession?.................................
