The Internal Revenue Service (IRS), American Association of Retired People (AARP) and Olympic College jointly sponsor a program staffed by volunteers to prepare and electronically file income tax returns at no cost to the customer. Volunteers are trained to handle most changes in the tax law for the current tax year.

Taxpayers we CAN serve:
All ages, with income from employment, retirement, unemployment, or self employment business (up to $25,000 in expenses, no employees, no inventory and no loss) and those needing to claim a wide variety of deductions and credits.

Taxpayers we can NOT serve:
Those with 1) rental income, 2) depreciations, 3) home office, or 4) self employment business with a loss, expenses exceeding $25,000, inventory or employees.

Taxpayers MUST bring:
1. Photo identification.
2. Social Security cards for all persons on the tax return.
3. All 2019 tax documents, such as statements of income from wages, retirement, Social Security, interest, dividends, brokerage statement, and information on college expenses.
4. Information on medical coverage and your 1095A, 1095B or 1095C, if received.
5. A list of all your deductions plus tax documents showing mortgage interest and property taxes.
6. Your checkbook with a check showing your routing and account number. This is for those wanting direct deposit of your return or withdrawal of your amount due.
7. Last year’s tax return.

Bring any information you think might be helpful and let us sort it out.

Plan to arrive early. We will not begin preparation of a new tax return during the last half hour before closing time when volunteers are expected to vacate the space.
