Conversation Partner Program
This program is a volunteer-based service, which connects International students with English speaking students for one hour per week in conversation. This is a great opportunity to learn and make new friends!
Cultural Clubs

Do you want to learn about a certain culture from a particular country? OC wants you to join a cultural club ranging from different parts of the world! We have a variety of clubs that need students to make this school as diverse as possible.

We encourage students to create clubs to represent your culture such as Middle Eastern, Latino/a, Irish or more!

Please come by and talk with Valarie to create a club!
