Greetings Worker Retraining Students!

We hope this email finds you in good health and good spirits given the current circumstances.

We would like to take a moment to check-in to see how Spring Quarter is treating you. **Click here to answer a few short questions that will enable us to better assist you.** The completed questionnaire will also fulfill your check-in requirement for Worker Retraining as we aren’t able meet face-to-face just yet. We appreciate you taking the time to better inform us how to best assist you.

We also want to alert you about the Coronavirus Aid, Relief and Economic Security (CARES) Act. The CARES Act is a federal grant that provides relief from COVID-19. **The CARES Act** specifies that funds can be disbursed as grants to students whose education is impacted by the COVID-19 pandemic outbreak. Grants may be used for food, housing, course materials, technology, health care, childcare, or other expenses incurred this quarter. The college has established criteria that will allow it to disburse funds to students who are currently enrolled for Spring Quarter. **Get more info and apply here!**

**Here are a few additional resources available** to you for free, as a student, here at Olympic College! Please take advantage of them!
