Self-reinstatement is part of Satisfactory Academic Progress (SAP) within Financial Aid for students that have a SAP suspension status. Students may pursue self-reinstatement (making academic progress without financial aid) if they are unable to petition for reinstatement.

Self-reinstatement is completing and passing all credits attempted during one quarter with at least a 2.0 term GPA. The minimum amount of enrolled credits required for a self-reinstatement during a quarter is 6.

**Send in this Self-Reinstatement form to the Financial Aid office towards the end of the quarter you are self-reinstating so that the Financial Aid office can be notified to check your grades when they post.**

**\*\*NOTE:** Self-reinstatement may be required if your SAP status goes back into suspension at the end of a future quarter.

By signing this form, you are affirming that you have completed the self-reinstatement process.

If you submit this form and you have not successfully self-reinstated, no action will be taken by the Financial Aid office.
