In lieu of a rebuke of the AHE Representative by the Board of Trustees, the Interim Executive Director of Human Resource Services asked that the AHE Representative publicly apologize to the Board and the employee involved. The AHE Representative apologized to the Board and the employee.

- The Director of Emergency Management (EM) and Poulsbo Site Manager, asked for, and was granted, permission to address the Board. 4. **Report of the Board**
   Trustee Page reported that he is President-elect of the Washington State Association of College Trustees (ACT). They have several retreats coming up, and he will be sharing the information from the meetings with the rest of the Board of Trustees and Olympic College staff as appropriate. Additionally, he wished to express his thanks for the support he received from the college during the time of difficulty he has recently experienced.

   Trustee Peters reported on the success of the 2017 Diversity Conference that took place in June, and looks forward to the event next year.

5. **Report of the President of the College**
   Dr. Mitchell reported to the Board of Trustees on several important topics that have been developing over the summer:
   - The Capitol Budget has still not been passed by the State legislature. The re-appropriations bill, however, has passed, and current projects (such as the CIC Building) have been funded. Nevertheless, Olympic College does need the Capitol Budget approved in order to start some
planned projects. He asked the Board of Trustees to communicate the importance of passing the Capitol Budget with the legislature where possible.

- The CIC Building opening has been pushed back from its original opening date. The building is scheduled to be finished in the fall quarter, and will be fully occupied during Winter Quarter.

Nora Downard (substituting for Deb Montez) reported several concerns to the Board of Trustees:

- February 2017, there was a vote of no confidence held involving the security department, and the WPEA reports that they have not yet been responded too in regards to the outcome of the investigation that was made.
- A second item was regarding an email that was sent out by Dr. Mitchell recently, specifically the portion of the message: “In addition, the College has retained an outside firm to assess potential physical and technological safety issues on campus and make recommendations for improvements/upgrades.” Nora reported the WPEA feels there is a lack of transparency on this statement/issue, in addition to concerns over cost and source of funds that will be spent on retaining the outside firm. Dr. Mitchell responded to Nora and provided clarification of the statement.
- Several classified staff members have vacated their positions recently, and the WPEA is concerned that they will not be filled in a timely manner. The union would like to know what happened to the work that was being done by the people who have vacated their positions; how has it been distributed, who is doing what. Nora reported the WPEA feels there has been a trend where its members have been continually asked to do more work, with fewer resources.

Ted Baldwin reported to the Board of Trustees on behalf of the AHE. Topics discussed include:

- Reiterating the statement of Nora Downard regarding the lack of communication in the vote of no confidence held in Winter Quarter, and feels it may now be in the Board’s purview.
- Craig Goodman will replace Allison Phayre as the Chief Negotiator for the Faculty; as she has taken a 1-year temporary Administrative assignment.
- Reporting to the Board on his views relating to the faculty salary scale, and contextual information on how salary scale increases have to be bargained.
- Feelings of “exploitation” by adjunct faculty members and part-time hourly employees.
- A letter from Ted to the AHE membership was submitted to the Board of Trustees for review, and was followed by brief explanation of said letter by Ted.

- The 9th annual Kitsap Wine Festival was held this past Saturday, with the funds raised benefiting the Olympic College Alumni Association, which will be turned over to the Foundation. The City of Bremerton approved next year’s festival lodging tax credits.
- Olympic College Foundation’s Community Luncheon will be on October 9th, 2017. They are still looking for table captains for the event. Sponsorship for the luncheon is going significantly better than past years.
- A community outreach event, the 2017 Blackberry Festival, is being sponsored, in part, by the Foundation.
- The fundraising campaign is going very well. A leadership gift was recently received this week, and a press release will be made in September announcing it.

The Presidential Search Committee will start reviewing applications on September 11th, 2017. On October 3rd, 2017 the committee will meet to narrow the applications down to 8.
