4. **Report of the Board**
   - Trustee Page reported several items to the Board:
     - He will be attending Thursday’s (9/21) Opening Days activities.
     - He attended the SGOC Reception at Dr. Mitchell’s house, and feels very confident about the group that is in place currently and looks forward to working with them.
     - Trustee Page went to the State Board Retreat in Skamania, as President-Elect of the Washington State Association of College Trustees. Items discussed were aligned with their areas of emphasis: Advocacy (around a long-term, strategic advocacy taskforce), Completions/Guided Pathways, Equity and Diversity, Enrollment, CTC Link, Student Achievement Initiative changes, etc. Additionally, a resolution was passed that allows OC to remove the Barner Structure (once funds are available).
   - Trustee Bryant reported that she attended the Blackberry Festival and had a wonderful time.
   - Trustee Cheney reported on her attendance of the Opening Days convening that occurred this morning. She highlighted the speeches by Trustee Warner and President Mitchell, as well as the student panel discussion. She thanked those who organized the event.
   - Trustee Warner reported on his experience at Opening Days. He called out the theme of the week “Flipping the Question: Is OC Student Ready” as being highly appropriate for the work being done currently to keep the focus on the students.

5. **Report of the President of the College**
   Dr. Mitchell reported to the Board of Trustees:
   - That he wanted to echo Trustee Cheney’s comments on Trustee Warner’s speech at the Opening Days ceremony;
- Thanked Adam Morris and Mary Garguile for their work organizing the Opening days activities for the week;
- Reiterated the importance of the comments Trustee Page made regarding the State Board Retreat, and the importance of Olympic College’s representation at the state level and engagement on statewide commissions.
- Graduate Kitsap/Mason will hold a meeting on 9/29/2017 with Superintendents, Board Members, and other government/community stakeholders from the entire service district to discuss ways to create a college-going culture for area students, and increasing their completion at the post-secondary level. The goal of the meeting is to spur action, close opportunity gaps, and get area School Boards and Superintendents to work these ideas into their annual goals/strategic planning. A conference may be held in winter quarter for area leaders, board members, etc., to further work on this project.

Deb Montez reported several concerns to the Board of Trustees:
- On 9/29 the findings of the vote of no confidence will be reported to the shop steward at their meeting. Deb laments the damage done because of the lack of timely communication;
- A lot of position changes have taken place over the last year at OC, and the Union expresses major concerns from staff about positions being reduced and work being shifted around.
- Concerned about the One-Stop (Ranger Station). They acknowledge that its great for students and working well, however, the employees are highly stressed and staffing levels are a potential problem. If a staff member is unavailable to work, it will create an issue for both their co-workers and students.
- Reports being quite happy with the WPEA contract training conducted at the Admin. Retreat.
- Deb sent out articles to VPs/Pres/HR regarding self-reflection over the summer.

Ted Baldwin reported to the Board of Trustees on behalf of the AHE. Topics reported include:
- Addressed the last Board Meeting when he was reprimanded by the Interim Executive Director of Human Resource Services. He feels that the line he crossed was “gray.” He wouldn’t change what he said, and feels like it is his job to “speak truth to power” and that’s what he felt he was doing. Ted like the response by the Interim Executive Director of Human Resource Services was not necessarily to what he said, but to “put him back in his place” from someone in a position of power.
- Asked the Board what they would like to hear from the Union representatives during their report time. Each of the Board members responded to his question.
- Invited the Board members to sit-in on classes fall quarter (as well as requested one member be a “celebrity judge” for a student project during the upcoming year.

David Emmons, Executive Director of the Olympic College Foundation, reported the activities of the Olympic College Foundation to the Board:
- Summit (the alumni and friends magazine) was mailed out to roughly 40,000 homes yesterday. Highlights include: a story on Bill Harvey (theater namesake), Bremer Trust was the featured philanthropist (a focus on their giving towards the weld shop project), and an
article on the reverse transfer agreement and how it will effect OC’s students and completion rates;
- Fundraising is going well, 600+ guests attended the wine festival;
- Community Luncheon planning is going very well. To date, 60 RSVPs have been received so far (which is the most in the last 5 years);
- Blackberry Festival: OC representatives included students, faculty, staff, Board of Trustees members, and Foundation Board members. It was a great outreach opportunity for the College;
- Harriett Bryant will be joining the Foundation board as a liaison between the Board of Trustees and Foundation.
- Jim Sund, President of Olympic College Foundation Board, was introduced to present the annual gift to the College. David Emmons provided details of the composition of the total gift amount, and announced a leadership gift from the Foundation of the Hospice of Kitsap County.

9. **Presidential Search Report**
   Trustee Warner reported on the status of the Presidential search. The position has closed, and applications are beginning to be reviewed. Around 71 qualified applicants have been found (which is much higher than the average for the position). It demonstrates the number of people who want to work at OC, and the respect the institution has on the national level. All of the committee members received access to each application, and will create their own list of the 10 best applicants. Once the search committee meets next (in October), the individual top 10 lists will be boiled down to a group top 10 list. Those 10 finalists will be given a set of supplemental questions (from the Board of Trustees) to answer. After those answers are returned, a set of finalists will be selected for the final stage of the process (site visits, etc.).

   Cindy Hough, Presidential Search Consultant, was present to clarify and answer questions on the process of the Presidential Search Committee.

Dr. Mitchell worked with Trustees Cheney and Page to create this draft, which was reviewed by the Board members. Trustee Warner read the document to the room to be transparent in their vision for 2017-2018. An emphasis will be placed on creating measurable goals.
