Meet Heather Lukashin

The Office of International Education is pleased to welcome the new Director of OIE and Study Abroad, Heather Lukashin. She has a MBA and is currently working on Ed.D doctorate. She was a military brat in the USA Air Force where she had the opportunity to travel around the world. She has experienced many other countries and their cultures, like Japan and Russia. During her leisure time, Heather enjoys the ocean, hiking and watching sports like hockey or horse racing. She has had connections with International Study Programs for last 18 years and it is a great pleasure for us to have her at Olympic College. Stop by the Office of International Education and say “Hi” to her.

Break the Ice

Collaborating with the Multicultural & Student Program, the Office of International education organized a speed friending event on April 19th. The purpose of this event was to offer an opportunity for students to mingle and make new friends while engaging in fun activities such as Bingo, speed friending conversation, chubby bunny card game and charades to help them “break the ice”. The great participation from the students made the event a real success. Everything was made a little more sweeter thanks to the ice cream!

On Saturday, April 30th the Office of international Education attended the Seattle Mariners vs. the Kansas City Royals baseball Game. Everyone was very excited because, for most of the students, it was the first time to visit the Safeco Field stadium or to go to a Baseball game. The students enjoyed their time in the big city and got the full baseball experience with stadium food, games and cheering for their team. The Mariners won 6–0 which made the day even more exciting!
