New Students Orientation Week

This Fall quarter, we welcomed international students from 15 different countries. The preparation started on Thursday, Sep 10th, 2015. They began arriving at the airport and were welcomed by our volunteers. They were able to get local SIM cards, bus passes, and bank accounts as a part of local resource session. During the on-campus orientation, our supervisors went through everything the new students needed to know about successful college life in the United States.

Field Trip to Seattle

On Saturday Sept 18th, the new students went to downtown Seattle for a fun scavenger hunt with volunteers. They were divided into 4 different groups to go around Seattle for sightseeing and taking pictures at specific places such as the Space Needle, the Pike Market, or the Great Wheel. At the end of the day, they seemed to enjoy this trip. It was the best way to get to know each other and discover a new place in the U.S.!
