This Fall quarter, we welcomed 40 new international students from many different countries. On Friday, September 9th, 2016 they began arriving at the SeaTac airport and were welcomed by our volunteers.

During orientation week, our supervisors went through everything the new students needed to know about successful college life in the United States. Moreover, our continuing students shared their experiences of studying and living in the U.S. The new students were also able to get SIM cards for cellphones, bus passes, and bank accounts with our volunteers’ help.

We asked them to write their goals on paper leaves and shared them on our board. We wish all of them a great experience in the U.S. and a successful academic year!

Seattle Field Trip

We went to the Seattle Field Trip as a part of new student orientation on September 15th. We divided new students and volunteers into 4 groups. Their mission was to explore the Chinatown, the Space Needle, the Pike Place Market, the Pacific Science Center, the first Starbucks, the Seattle Underground’s tour, and the Seattle Great Wheel. It was a long walk with joyful laugh and talk.

We all had lunch in Uwajimaya with diverse food from India, Korea, China, Viet Nam, and Japan. We also sat together, looked at the Fountain and listened to the music. —Thu
