## Policies and Procedures

### Admission, Registration and Graduation Appeals Committee

The Admission, Registration and Graduation Appeals Committee (ARGAC) is advisory to the Dean of Enrollment Services and generally meets once each quarter or as needed. The ARGAC objective is to facilitate the decision-making process as it relates to uncertain requirements or unique circumstances in regard to student admission, registration and graduation.

- **Admission:** To review all aspects for the admission of students to OC, its programs and courses, including the appeal of admission decisions.
- **Registration:** To review problems related to student registration or enrollment in courses.
- **Graduation:** To review situations regarding the waiver and/or substitution of specific graduation requirements for all degrees and certificates awarded by OC.

**Process:**

To begin the process, a student must submit a completed “Registrar’s Petition” to the Dean of Enrollment Services. The request should be specific and may include supportive documents or statements from appropriate people and sources. The student should consult with Registration and Records Office staff regarding appropriate times to submit an appeal in any given quarter. The Dean of Enrollment Services may approve or deny the petition. If the petition is denied, the student has the option to request the petition be forwarded to the ARGAC for review. The ARGAC decision is final.

**NOTE:** Grade appeals follow a different procedure (see “Grade Appeals” in this catalog).

### Course Substitutions for Students with Disabilities

OC recognizes that certain disabilities may preclude a student from successfully completing a specific course requirement for a degree, even with appropriate accommodations. In those cases, the college will consider course substitutions when they do not compromise the integrity of the academic program. Under the Americans with Disabilities Act, the college is not required to waive essential requirements of a student’s program of instruction. Therefore, every student enrolled in a degree program must meet the essential requirements of that program. In the case of substitution requests, the college understands that any such substitution must not weaken the curriculum, but rather expand the opportunities available.

OC also recognizes that altered methods of course delivery and/or the use of accommodations will enable most students with disabilities to successfully complete course requirements, except in unusual circumstances. Therefore, the student is encouraged to attempt successful completion of the required course and/or prerequisites with accommodation. Course substitutions may be requested with the following procedures:

- All requests for course substitutions shall be submitted to the Dean of Enrollment Services prior to the Admission, Registration and Graduation Appeals Committee (ARGAC) meeting. This committee meets if appeals are submitted, or is held once per quarter as required. Consult with the Registration and Records Office staff regarding the submission process or date in any given quarter. The request must include the following information:
  - An explanation of the relationship of the student’s disability to the lack of success in completing the course; current relevant medical or psychological documentation which includes functional impact of the disability and its duration, when appropriate (refer to the section, “General Guidelines for Documentation of a Disability”); a description of the accommodations previously received by the student in the course or relevant subject area, if attempted; and a release signed by the student, authorizing the committee to review the student’s documentation and to contact the evaluating professional, if necessary.
  - The request may also include other relevant information, such as letters from instructors and/or tutors who have first-hand knowledge of the student’s attempts in the required subject area.
- Course substitutions will be approved only when such requests are consistent with the essential degree requirements.
- Students may contact the Registrar’s Office for further details regarding specific requests.
- The Dean of Enrollment Services shall respond in writing to all requests within one week of the ARGAC meeting. The response shall include a brief summary of the basis for the decision.

### Alcohol/Drug-Free Environment

Per WAC 132c-120, any student shall be subject to immediate disciplinary action who, either as a principal actor or aider or abettor:

- Is found to be possessing, using, or being demonstrably under the influence of, or selling any narcotic or controlled substance as defined in chapter 69.50 RCW as now law or hereafter amended, except when the use or possession of a drug is specifically prescribed by a licensed doctor or dentist. For the purpose of this regulation, “sale” shall include the statutory meaning as defined in RCW 69.50.410 as now law or hereafter amended.
- Is found to be demonstrably under the influence of any form of alcoholic beverage. Possessing or consuming any form of alcoholic beverage on college property, with the exception of sanctioned events, approved by the President or his or her designee and in compliance with state law.

Adopted by Board of Trustees 3/23/2004, Revised 8/24/2010

A Special Note about Marijuana: In November 2012, Washington voters adopted Initiative 502, which legalizes small amounts of marijuana for personal use. Despite passage of this law, OC's policies prohibiting the use of marijuana at the college remain in full force and effect.

While the state has decriminalized possession and use of small amounts of marijuana in private, it is important to understand that (1) public use of marijuana is punishable as a civil infraction under the new law, and (2) OC’s pre-existing student conduct code and employment policies remain unchanged. They prohibit the manufacturing, distribution, dispensation, possession, or use of any controlled substance, including the possession or use of any amount of marijuana on campus.

Continued enforcement of policies prohibiting the use of marijuana at the college is necessary, impart, for OC to comply with the federal Drug-Free Schools and Communities Act of 1986.
Non-Discrimination Policy

Olympic College is committed to the principle of equal opportunity in education and employment. Harassment and/or discrimination directed toward any individual or group on the basis of race; color; national origin; sex, including pregnancy; genetic information; honorably discharged veteran or military status; age; religious preference; creed; sexual orientation; gender identity; or the presence of any sensory, mental, or physical disability or the use of a trained dog guide or service animal by a person with a disability; status as a disabled or Vietnam-era veteran; or political opinions or affiliations; or any other population designated by statute is a violation of the mission and purpose of Olympic College and will not be tolerated. The College is committed to providing and stopping discrimination, including harassment, on any of these unlawful bases, and any associated retaliatory behavior. All employees and students shall be allowed to work and learn in an environment free from discrimination.

A.) This policy is based on the principle that all forms of harassment and/or discrimination are unacceptable and will be dealt with promptly and effectively. Students, faculty or staff who are determined to have violated this policy (following investigatory proceedings) are subject to disciplinary action up to and including termination of employment and permanent dismissal (students).

B.) Applicants for admission or employment or any employees, students, or participants in College activities or programs who believe that they have been discriminated against may pursue an institutional complaint and/or may pursue other remedies provided by law.

C.) Administrators, supervisors and faculty members shall assist in ensuring that no retaliation occurs against anyone who makes complaints. Persons who are complainants against persons who are involved in the investigation of complaints.

Responsibility

A.) The President of the College, and all administrative employees, shall have ultimate responsibility for overseeing compliance with this policy at his or her respective unit of the College.

B.) In addition, each vice president, executive officer, administrative officer, faculty member or other person with supervisory responsibility shall be required to report any complaint of discrimination, sexual harassment, or any harassment that violates this policy.

C.) All members of the College community are required to cooperate in any investigation of the discrimination/harassment complaint.

Complaint Procedure

Persons who believe that they have been the subject of unlawful discrimination or harassment are encouraged to bring such issues to the attention of their supervisor, instructor, or Human Resource Services, or follow the established complaint procedures.

• Published in Washington Administrative Code, Title 20 U.C.S. §1011, which makes the receipt of federal funding contingent upon the College certifying that it has adopted and implemented a drug free campus programs and policies for its students and employees. Because the possession and use of any amount of marijuana continues to be a criminal offense under federal law, OC must prohibit its possession and use, or risk jeopardizing its federal funding, which includes financial aid, contracts and grants.

Grievance Procedure For Students with Disabilities

OCT has adopted an internal grievance procedure providing for the equitable resolution, within a reasonable time, of complaints by students with disabilities alleging violations of their rights under the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973. All requests for access, accommodation, and academic adjustment should first be brought to the Office of Access Services (AS). If the student believes that a faculty member, an office or a program has refused to provide an accommodation in accordance with notice from AS, the student should first request the assistance of the AS Director in resolving the complaint. If the complaint cannot be resolved in this manner, or if it involves the AS Office, the student has the right to appeal through the following procedure:

• Submit a written appeal to the Vice President of Student Services, which should include:
  - The nature of the disability, with an explanation of its current impact and functional limitations in the academic setting;
  - Details of the reasonable accommodation being requested; and
  - A description of any/all accommodations provided or offered by the college and an explanation of why these accommodations are insufficient or ineffective.

• The Vice President of Student Services shall investigate the grievance and issue a written determination, which will specify resolution of the matter. Such written determinations shall ordinarily be issued within 14 days of the filing of the grievance. Circumstances which may prolong the response of the Vice President include: the intervention of a quarter break and other such circumstances which may render unavailable persons necessary to an appropriate resolution of the complaint.

• In addition to the above described appeal process, any student who believes that he or she has been discriminated against in any way may pursue an institutional complaint and/or may pursue other remedies provided by law.

Sex Offender Notification Policy – Summary

Preamble
Olympic College considers the protection of our community from sex offenders to be a matter of significant importance. The 1990 Community Protection Act allows the college to provide notice to the community concerning sex offenders who are, or will be attending classes or working on the campus, and to assist our community members in developing constructive plans to prepare themselves and their children for residing near released sex offenders.

Pursuant to RCW 44.24.550 Olympic College is authorized to notify the college community when information is received that a registered sex offender may be expected on or near the college campus, including off-site buildings and associated college activities. Information that is relevant and necessary to protect the public and to counteract the danger created by a particular sex offender may be released pursuant to RCW 44.24.550.

The extent and content of the disclosure of relevant and necessary information shall be related to:
- The level of risk posed by the offender to the community;
- The location where the offender resides, expects to reside or, is regularly located; and
- The needs of affected community members for information to enhance their individual and collective safety.

Purpose of Notification
An informed public is a safer public. Notification is not intended to increase fear. Sex/kidnap offenders have always lived in our communities. The purpose of the Community Protection Act of 1990 was to assist local law enforcement agencies to protect communities by providing relevant and necessary information. By providing the public adequate notice and information, community members and college staff can develop constructive plans to prepare themselves and their children for the offender’s release.

Immunity
Public employees and/or public agencies are immune from civil liability for damages for any discretionary risk level classification decisions or release of relevant and necessary information, unless it is shown that the official, employee, or agency acted with gross negligence or in bad faith (RCW 44.24.550(7)).

Level I
The vast majority of registered sex offenders are classified as Level I offenders. They are considered at low risk to re-offend. These individuals may be first-time offenders and they are usually not known by their victims. They normally have not exhibited predatory type characteristics and most have successfully participated or are participating in approved treatment programs.

Level II
Level II offenders have a moderate risk of re-offending. They generally have more than one victim and the abuse may be long term. These offenders usually groom their victims and may use threats to commit their crimes, and they have a higher likelihood of re-offending than the Level I offenders. They are considered a higher risk to re-offend because of the nature of their previous crime(s) and lifestyle (drug and alcohol abuse and other criminal activity). Some have refused to participate or failed to complete approved treatment programs. Typically these individuals do not appreciate the damage they have done to their victims.

Washington state law may allow the Public Disclosure of Level II Registered Sex Offenders under certain conditions. Expect the following types of notifications to be made: All who receive Level I notifications, faculty and staff in whose program and/or course the student is enrolled, Tutoring Center, child care, posting on bulletin boards, including security office.

Level III
Level III offenders are the greatest risk to the community. Most are predatory, have other violent crime convictions, refused treatment and are known substance abusers. Community notification is most extensive. Washington state law permits notifications about Level II offenders that include relevant, accurate and necessary information. The college community will receive the following notifications:
- All college employees via internal mail/e-mail, College bulletin boards, faculty in whose course the Level III sex offender is enrolled.
- Students attending classes in which the Level III sex offender is enrolled.
- Olympic College has also developed specific procedures that assist in notifying the campus community of sex offenders on campus. According to these procedures, the Vice President of Student Services:
  - Reviews all relevant and necessary information provided by law enforcement personnel and the office of Safety and Security; assesses the safety issues posed for students, employees, and all minors on campus.
  - Interviews all Level III sex offenders attending Olympic College, as well as enrolled Level I and II sex offenders who are known to be attending Olympic College for whom local law enforcement agencies have provided notice to the college.
  - Releases the identity and information, according to the above guidelines.

The Safety and Security office maintains records of sex offenders. The Kitsap County Sheriff’s Office maintains an online registry of Level II and Level III sex offenders who are registered to live in Kitsap County at icrimewatch.net/search2.php?AgencyID=54474.

For Level II and III Sex Offenders registered in Mason County, go to icrimewatch.net/index.php?AgencyID=54479&disc=

Using this public information to threaten, intimidate or harass sex/kidnap offenders will not be tolerated by Olympic College. For more information please contact Safety & Security at 360-475-7820.

IMPORTANT NOTE: All registered sex offenders should contact the Office of the VP for Student Services to register for classes at 360-475-7473 to arrange a meeting.
