Enrollment Information

This section provides information about applying to Olympic College, financial aid, assessment testing, the advising process, registration, and more.

Admissions Eligibility

OC is an “open door” college, and students from all walks of life and educational backgrounds are invited to attend. To be eligible for general admission to the College, one of the following is required:

- 18 years of age or older, or
- High school or GED graduation, or
- A written release from the high school district

Applicants under the age of 16 are not usually offered general admission.

Some programs require special applications, admission, permission or faculty advising before enrollment. See “Additional Admission Procedures” in this section.

If you are interested in non-credit admission, see Community Education admission in this section. For more information, contact:

Application Processes

New Student Admission

New students should follow the “Getting Started” process on page 5.

For general admissions, the free application for admission is required. Apply online with the state Online Admissions Application by visiting Olympic.edu and clicking the red “Apply Now” button in the upper right corner of the page. Paper applications are available at any campus and available for download on the Olympic.edu webpage.

Official transcripts for coursework completed at other colleges or universities are not required for admission. However, previous course work may count for prerequisites or transfer credit toward Olympic College degrees or certificates. Visit olympic.edu/programs-classes/transfer-oc.

Additional Admission Procedures

Some programs require general admission and program admission. Application deadlines and entrance requirements must be met.

There are additional admission requirements for:

Continuing Student Admission

Students who continue from the previous quarter must follow the items 4-7 on page 5, “Getting Started.”

Former OC Students

Former students who wish to return to the college after being away for four or more quarters should call or go to the registration office at their local campus to receive a “time to register.” Former students who have been away for three or fewer quarters should check ctcLink Student Self Service for their time to register (see page 5). Former students should not submit a new online or paper application for admission, but contact the Welcome Center for their ctcLink ID. Former students should contact an advisor in their program of study to discuss their education plan and to receive program updates before registration.

Transfer Student Admission

Applicants who have completed college-level course work at colleges, universities or through military training may apply for admission online. Official transfer credit evaluations are processed after the second week of the first quarter of attendance or when all official transcripts have been received. Submit the “Transcript Evaluation Request” form available at olympic.edu/current-students/registration/transcript-evaluation-request.html and official transcripts to the Ranger Station – Registration & Records office. Information: olympic.edu/current-students/registration.

New transfer students must take an official or unofficial copy of their transcript to their advising appointment (before classes start) for an unofficial evaluation and to meet prerequisites by signature or entry code.

Bachelor of Applied Science in Digital Filmmaking (BAS DF) Admissions

Students applying for admission to the Bachelor of Applied Science in Digital Filmmaking program must meet the application and entrance requirements to be considered. For application and entrance requirements, go to: olympic.edu/filmmaking.

Bachelor of Applied Science in Information Systems (BAS IS) Admission

Students applying for admission to the Bachelor of Applied Science in Information Systems program must meet the application and entrance requirements to be considered. See “Information Systems Bachelor of Applied Science” at olympic.edu/computer-information-systems-information-systems-bachelor-applied-science-bas-bas-program-overview for application and entrance requirements.

Bachelor of Science in Nursing (BSN) Admission

Students applying for admission to the Bachelor of Science in Nursing program must meet the application and entrance requirements to be considered. Admission is competitive. See “Bachelor of Science in Nursing Degree” at: olympic.edu/nursing-bachelor-science-nursing-rn-bsn for special application and entrance requirements.

Bachelor of Applied Science in Organizational Leadership and Technical Management (BAS OLTM) Admissions

Students applying for admission to the Bachelor of Applied Science in Organizational Leadership and Technical Management must meet the application and entrance requirements to be considered. Go to olympic.edu/organizational-leadership organizational-leadership-and-technical-management-bachelor-applied for application and entrance requirements.

International Student Admission

Students are admitted to summer, fall, winter, or spring quarters and should apply early enough to:

(a) allow time for the processing of a student visa,(b) make travel arrangements, and (c) arrive at least one week before the quarter starts to attend orientation and register for classes. Enrollment in a minimum of 12 credits is required, unless students need to take intensive English, which is 18 credits.

For complete application materials and admission steps, go to olympic.edu/isp.

For more information, contact: 360-475-7412 or international@olympic.edu.

Depending on the level of English skills and interests, students may enroll in a variety of educational programs. Intensive English provides language skills, cultural knowledge and experience needed to use English effectively, communicate and succeed in academics and the workplace, and provides opportunities for personal growth. International students may enroll or co-enroll in the high school diploma completion program, college preparatory courses, university transfer studies career, and professional degrees and certificate programs. International students learn and practice English skills while they complete freshman and sophomore-level classes in academic, career, professional and technical programs, pursue degrees and certificates, and prepare for transfer to a university to complete a four-year bachelor degree. Guaranteed transfer admission is conditionally offered to admitted international students who graduate from OC with an associate degree to selected universities in Washington, Montana, Arizona, California and Tennessee. Contact the Office of International Education for a list of partner universities.

International students who graduate with associate degrees have been admitted to universities throughout the United States and transfer as third year juniors.
Community Education Admission

Community Education classes offer many opportunities for professional development and personal enrichment for the community. Schedules are flexible and classes are offered throughout the year. Classes are open to the public. Students do not have to be enrolled in OC degree programs to attend. To register, students should visit the OC webpage at olympic.edu/programs/classes/community-education.

A selection of community education classes is available each quarter, a comprehensive list of classes is available on the webpage at the web address above.

High School Programs Admissions Processes

Running Start

Running Start is a dual enrollment program created by the Washington State Legislature to expand educational opportunities for high school juniors and seniors. Running Start students can enroll in college-level classes, tuition free, for up to 15 credits or a maximum of 1.2 Full Time Equivalent (FTE) combined between the high school and college. Students are responsible for any tuition above 15 credits, or 1.2 FTE and for any coursework taken below college-level or during summer quarter. Students are also responsible for college fees, transportation and book expenses.

Eligibility Requirements:
High school juniors and seniors who wish to enroll as Running Start must:

• Be under the age of 21
• Be classified as a junior or senior
• Have a cumulative high school GPA of 2.5 or above*
• Qualify for college-level English and/or math**
• Not have earned all credits/received a high school diploma (GED excluded)

Running Start applicants who meet the eligibility criteria listed above are encouraged to apply to the Running Start program by published priority deadlines. Late applications will be accepted until the Wednesday prior to the start of the quarter.

*Students may appeal the required 2.5 cumulative GPA by submitting an appeal letter with their Running Start application addressing their academic performance and describing traits, skills, and habits that demonstrate readiness for college classes.

**Students who do not place into college-level English and/or math, who want to experience a collegiate environment while continuing to develop their computation and reading/writing skills outside of Running Start, may enroll in a limited selection of OC courses identified below:

• Classes designated as "Skills Performance (H/SP)" Specfic ART, DRMA, MUSC courses
• Physical Education Department Classes:

Any PE-FSP or PE-RD
• General Studies Department Classes: Any GEN-S course

Priority applications due:
May 1 Fall quarter entry
Nov. 1 Winter quarter entry
Feb. 1 Spring quarter entry

Initial application steps include: applying to OC, taking the Accuplacer assessment test and submitting a Running Start application form along with a copy of the student's high school transcript, assessment scores, and the Running Start Student/Parent Agreement form. Detailed application and eligibility guidelines are outlined in the Running Start Information and application packet located on the OC Running Start webpage.

All eligible students are required to complete a Running Start orientation session to learn about the college and Running Start program procedures. Additionally, Running Start participants must submit a completed Running Start Enrollment Verification Form and meet with a Running Start advisor in order to enroll each quarter.

Once enrolled, Running Start students are considered regular college students who are subject to campus policies, procedures and student privacy regulations. Running Start students may participate in any college-level classes fall, winter and spring quarters including distance education and Bremerton and Shelton campus offerings.

High School Completion Program

Individuals who want to earn their high school diploma from Washington state may enroll in developmental and/or college-level courses to meet state requirements. Students who are 17 years of age or younger, or if their graduating class has not yet graduated, must have a release from their high school to attend classes at OC.

The first step is to get all official high school transcripts and make an appointment with an OC counselor who will evaluate them to determine what courses are needed. Students must also meet any other state testing requirements if they are under the age of 21. The cost of tuition is reduced for those who are over the age of 18 and meet other minimum requirements. For more information, contact the Counseling Center at 360-475-7540 or visit olympic.edu/programs/classes/adult-high-school-diploma-alternatives.

In accordance with Washington state law (SHB 1758, effective July 2009), individuals who enroll at OC and complete an associate degree (two-year diploma) of any type may also submit a written request and be awarded a high school diploma from OC. The law is retroactive and is valid before and after the law went into effect.

College in the High School

College in the High School offers high school students the opportunity to take college-level classes at their high schools. With Dual Credit, high school students can earn both high school and OC credits at the same time through articulation agreements. Education partners vary. For more information, contact 360-475-7555.

Career and Technical Education (CTE) Dual Credit (formerly called Tech Prep) - West Sound Education Consortium

CTE Dual Credit offers high school students the opportunity to start professional/technical training programs while still in high school. Via articulation agreements between OC and the high schools, high school students in selected programs can earn both high school and OC credits at the same time, provided they earn a “B” or better in the high school course. Education partners include OC, Kitsap and Mason county school districts and the West Sound Technical Skills Center. For information on programs and application requirements, go to olympic.edu/programs/classes/tech-prep-dual-credit.

Financial Aid

Financial aid is available at OC to those who qualify. Types of financial aid include scholarships, grants, loans, and institutional aid. To apply for financial aid, first complete the Free Application for Federal Student Aid (FAFSA). Go to OC’s financial aid webpage at olympic.edu/paying-college/financial-aid/ for more information. Call 360-475-7650 with questions or visit the Ranger Station in the Bldg. 4 (HSS), first floor.

See Workforce Education Programs for additional funding sources for students.

Veterans benefit information and assistance is available to those who qualify. Call 360-473-2821, go online: olympic.edu/services/military-and-veteran-programs, or visit the Veteran & Military Benefits Office, room 100 in the Engineering building at the Bremerton campus.

Financial Aid Eligibility

To qualify for financial aid, students must meet the following eligibility requirements:

• Have completed a high school diploma or GED or meet Ability to Benefit requirements.
• Maintain Satisfactory Academic Progress (SAP).
• Be a U.S. citizen or eligible non-citizen.
• Have a valid social security number (unless you are from the Marshall Islands, Federated States of Micronesia, or the Republic of Palau).
• Not be in default status on a federal student loan or owe a repayment on a federal grant.
• If male and between the ages of 18 and 26, must be registered with Selective Service.
• Be pursuing a degree or certificate in an
Enrollment Information

Financial Aid Available: Grants, Work-study, Loans & Scholarships

Need-based financial aid programs include: federal, state, and institutional grants, work-study, and unsubsidized student loans. Scholarships can be based on need, merit, achievement, or a combination. OC participates in the following financial aid programs:

- Grants: Federal Pell Grant, Federal Supplemental Education Opportunity Grant (FSEOG), Opportunity Grant, State Need Grant, OC grant, OC tuition waiver.
- Work-Study: Federal and state.
- Loans: Federal Direct Loan, Federal PLUS Loan, non-federal education loans (credit-based; FAFSA not required).
- Scholarships: For more information about scholarships, see “Scholarships” section on page 9.

Satisfactory Academic Progress; Student Rights and Responsibilities

All FAFSA applicants awarded financial aid are required (by the Department of Education) to register for classes in their programs of study AND to maintain satisfactory academic progress (SAP). SAP is assessed after the end of each quarter. Financial aid recipients who do not meet GPA requirements may be placed on warning or have future aid cancelled. Those who do not finish a quarter may be required to repay all or part of any financial aid they received for that quarter. To learn more about OC’s SAP policy and student rights and responsibilities, visit: olympic.edu/paying-college/financial-aid/financial-aid-faqs.

Scholarships

Scholarships administered by the Financial Aid Office

Scholarships are based on varying criteria (financial need, academic achievement, area of study, etc.). Interested students should review their eligibility and apply during the announced scholarship application period for the upcoming academic year. For more detailed information and a list of available scholarships, visit: olympic.edu/paying-college/financial-aid/scholarship-opportunities.

Scholarships administered by the Olympic College Foundation

You've got big dreams. The Olympic College Foundation is here to help you achieve them. The Foundation awards more than 200 scholarships each year based on a wide variety of criteria set by donors, including financial need, academic merit, community service and area of study. The average award is $1,900, which goes a long way toward OC’s annual $4,000 tuition. It's easy to apply at OlympicAwardSpring.com. After you create a free account, simply complete the application and upload your transcript and recommendation letters. AwardSpring will automatically match you with appropriate scholarships. Scholarship season typically begins in early January and awards are announced in June. Learn more at OlympicCollegeFoundation.org/scholarships or contact foundation@olympic.edu or 360-475-7120.

Assessment

Placement Assessment (Accuplacer)

Accuplacer scores provide information to students and advisors that will help determine a student’s placement and readiness to enter college-level courses. Most students must complete OC’s placement assessment if they plan to register for English or mathematics courses or any course that requires an English or mathematics prerequisite.

There is a non-refundable $20 fee for each Accuplacer attempt. Students are permitted to take the assessment three times in a calendar year for placement purposes.

If the Accuplacer assessment was taken at another community or technical college within the last two years, these results may be used for placement into OC courses. Please contact the college at which the Accuplacer assessment was taken and have them email a score report to us at accuplacerquestions@olympic.edu.

Students may also request to have transcripts reviewed if there is credit for prior college coursework in English or mathematics. Consult with an advisor for more information regarding transcript review for this purpose. If any other placement test was taken at another Washington state community or technical college within the past one calendar year, this may also be used for placement. Check the catalog section on Reciprocity.

Placement Assessment at OC

If the Accuplacer or any other placement tool was not taken, or if there are no transcripts with prior credits for evaluation, then the Olympic College Accuplacer assessment must be taken. Students must have a valid photo ID and a Student ID number to take the Accuplacer for placement at OC.

For more information and to schedule your Accuplacer, please visit us online at: olympic.edu/accuplacer.

Smarter Balanced Assessment and High School Transcript Placement

Smarter Balanced Assessment (SBA) Scores can be used as placement into ENGL&101 at Olympic College. SBA scores for English expire in April following their predicted graduation year. For example, student took SBA during 11th grade in school year 2017-2018, scores then expire in Spring 2020.

Beginning winter quarter 2019, our Math Department established a process to use the student’s high school transcript for placement as opposed to using SBA scores for math placement. The student needs to have taken a full year’s worth of the math class and received a B
or better in their last semester. This placement expires two years after the class was taken, with falling being the last quarter the student can use it. For example, Pre-Calculus was taken during 11th grade in school year 2018-2019, placement will expire Fall 2020.

There is an online form that students can use to fill out and attach their SBA scores or high school transcript. The form can be found at olympic.edu/current-students/registration/how-register/meeting-prerequisites under Assessment and Placement.

Advising

Advisors help students choose classes, map their career or educational path, and introduce them to life at OC. In addition, specialized advising is available for professional-technical programs, transfer to four-year institutions, science, engineering, math majors, military connected students, and Running Start.

New and Returning Student Advising

For new or returning students, an academic program advisor will assist with identifying career and academic goals, beginning an academic plan, understanding the higher education system, understanding degree requirements, choosing appropriate coursework and more. In addition, an academic advisor will refer students to a faculty advisor who is an expert in the field of interest. Students are strongly encouraged to meet with a faculty advisor throughout their academic career.

Advising is highly recommended for students with fewer than 15 credits on their OC transcript. Exceptions can be made for those who are taking six or fewer credits for personal enrichment. Please see the “Stay on Track” diagram on page 10.

NOTE: International Students, Running Start and Work First students are required to meet with their funding program office each quarter.

Students interested in Science, Engineering and Math (SEM) courses or programs are encouraged to learn more about advising assistance and how to sign up for SEM classes by visiting the SEM Advising web pages at olympic.edu/mathematics-engineering-sciences-health/division/advising-steps-sem.

Transfer Student Advising

Students planning to transfer to four-year colleges and universities need to contact a program or faculty advisor in their field of interest. Academic advisors can refer students to an appropriate program or faculty advisor. Academic advisors can also assist with reviewing transcripts for degree requirements.

Colleges and universities are invited to OC quarterly to meet with students and share information about their transfer programs. If students are transferring from a college or university, visit olympic.edu/programs-classes/transfer-oc to learn how to have previous classes reviewed for OC credit or contact an advisor. Students seeking to transfer to a four-year college or university should work closely with an advisor at the planned institution before finalizing their academic plan.

Academic Plan Requirement

Students at OC are now required to develop an academic plan and have their faculty advisor approve the plan before completing 45 credits.

An academic plan is a “road map” to help students stay on track to graduate. The new requirements help students save time and money by planning ahead.

Academic planning steps:

- Choose appropriate major, program of study or education goal.
- Identify a faculty advisor in the chosen program of study.
- Contact a faculty advisor as soon as possible to begin the academic planning process.
- Learn to use the My Academic Plan program to develop an education plan.
- Submit academic plan draft to faculty advisor for review and approval.

For more information, or for help with any of these steps, contact the advising office at any campus or visit olympic.edu/current-students/advising.

IMPORTANT: If an academic plan has not been approved, students will be blocked from registering for their 46th credit.

Exploring Major and Program Options (Career Counseling)

New, returning or continuing students who are undecided or exploring educational/career options may schedule to meet with a counselor at 360-475-7540. The Career Center is another way to research career fields and educational pathways. For more info, visit: olympic.edu/services/career-center.

Information about Advisors & Counselors

What is the difference between an educational advisor, a faculty advisor and a counselor?

- Educational Advisors will assist with identifying career and academic goals, beginning an academic plan, understanding the higher education system, understanding degree requirements, choosing appropriate coursework and more. Educational Advisors also refer students to a faculty advisor who is an expert in their field of interest. Students are strongly encouraged to meet with a faculty advisor throughout their academic career.

- Faculty advisors are full-time faculty members who advise students majoring in specific disciplines or technical areas of study. Faculty advisors review and approve academic plans within their discipline or program.

- Counselors are licensed professionals who help students manage everyday challenges and achieve life goals. They provide personal and career counseling, academic advising along with academic and crisis intervention. Counselors also assist students who have not completed high school identify alternatives to meet state requirements. Each counselor has their own approach to counseling depending on the unique experiences of students.

**Note:** International, Running Start and Work First students are required to meet with the education program advisor each quarter to ensure compliance with the program requirements. This requirement does not replace regular meetings with a faculty advisor.
Registration

Registration includes selection of courses, completion of registration either online (ctcLink) or in person, and payment of tuition and fees.

Students must be officially enrolled to attend classes. Registration is held before the start of each quarter and registration dates are listed on the OC website.

The class schedule is available at all college campuses by request and online through the ctcLink Student Self-Service portal.

Students may register for classes offered through the Bremerton, Poulsbo and Shelton campuses.

If prospective students have not applied for admission to the college, they must do so prior to registration. See “Getting Started” on page 5 for instructions.

Registration Options

1. Web Registration (ctcLink Student Self-Service portal)
   - Continuing and former students with 15 or more transcribed credits can select classes, register, and pay using the ctcLink Student Self Service portal: ptprd.ctclink.us. (Also see page 5.)
   - Register online from home, campus computers or kiosks. Go to ptprd.ctclink.us to see a complete list of ctcLink options including: grades, print unofficial transcripts, add and drop classes, and pay online. For online course information, search by class schedule.

2. In Person
   - Students may register in person at any campus registration office.

Waitlists and Over-Enrollment

Students may be placed on a waitlist for a “full” course if the prerequisite has been met. If an opening occurs, the student’s name will automatically move from the waitlist to the class roster.

Students should check their schedule listed on the ctcLink Self Service portal regularly for their registration status. The automatic registration may increase the tuition owed.

Tuition must be paid within two business days or by the payment deadline for that quarter, or the waitlisted registration will be administratively dropped.

1. Waitlist restrictions
   - Time conflicts: (overlapping times): If the selected waitlist contains a time conflict with another class, registration staff may remove the restricted class/waitlist from the student's registration schedule.
   - Three-course limit: Students are limited to three waitlisted enrollment entries at any one time.

2. Over-Enrollment: Waitlisted students who have not gained entry to a course before the first day of the quarter should attend the first class. The instructor may sign an "Over-Enrollment" form which will permit the student to register. The Over-Enrollment form must be submitted to the Ranger Station – Registration & Records office immediately. Students should email instructors for over-enrollment in online courses.

Add, Drop, Complete

Add/drop dates are listed on the Academic Calendar available on the OC website.

In general, the following procedures apply:

Before courses start
- Students may add (providing prerequisites/admission requirements have been met), drop, or completely withdraw via ctcLink or in person.

Day one through day three of the quarter
- Students may register for open courses day one through day three. Note: During the first week of the quarter, some classes may not be available after a designated day.
- Waitlisted students may register for full courses only with instructor signature or “Over-Enrollment” form.
- Students may drop courses via ctcLink or in person at the Ranger Station.

Day four through day 10 of the quarter
- Students may add courses with instructor signature via in-person registration.
- Students may drop courses via ctcLink or in-person.
- Withdrawal from courses allowed for the first 10 days without transcript notation.

Day 11 through 60% of the quarter
- Withdrawal from a course with a “W” grade noted on the transcript is allowed to the end of 60% of the quarter. Check the academic calendar for dates at olympic.edu/current-students/admissions-getting-started/academic-dates-and-deadlines

After 60% of the quarter
- Course withdrawal with “W” grade noted on the transcript requires approval of the Registrar. The “Registrar’s Petition” form must be completed and filed with the Registrar for consideration.

Entry Code

Entry codes may be obtained from an advisor or the instructor of the course and expire after one use. The code provides a way for students to register online or in person for: a) a class that requires instructor permission, or b) a class that has a prerequisite block.

Prerequisite Block

Many classes require completion of a prerequisite.

- For specific prerequisites, see class details in the online schedule at olympic.edu.
- For more information on English and mathematics prerequisites, see "Assessment" in this catalog.
- If the prerequisite was completed at another college or university, present the appropriate transcript to the faculty or Advising Center advisor to obtain permission to enroll.
Tuition and Fees
OC offers tuition rates for resident, U.S. citizen non-residents and international students. Tuition and fees may be paid using Visa, MasterCard, debit card (with Visa logo), check, money order or cash.

Please visit OC’s website at olympic.edu/paying-college/tuition-fees for current tuition and fee rates.

OC tuition and fee rates are subject to change by the Board of Trustees and/or the Washington State Legislature.

Tuition Payment Plan
The Tuition Payment Plan allows students to make automatic monthly payments on your tuition related charges only and is available through Nelnet Business Solutions. Down payment is due at time of payment plan sign-up with a $25.00 sign-up fee per quarter. If your enrollment fee or down payment fails, your Tuition Payment Plan will be terminated and you will be subject to the college’s policy for non-payment and will risk being dropped from classes. You must sign up each quarter for the Tuition Payment Plan. For more information contact the Cashier’s office at 360-475-7181 or online at cashieroffice@olympic.edu.

• Adult High School waiver eligibility is determined by an OC counselor. Must be 19 years of age or older.
• Parent Education Co-Op
• Senior Citizens (audit only): (60 years of age or older; limited to two classes quarterly on a space available basis)
• Veterans, for current information on veterans waivers, please visit OC’s website at: olympic.edu/services/military-and-veteran-programs.

Vocational Waivers (more than 18 credits)

• A partial waiver of tuition may be approved for vocational students in programs that require registration in more than 18 credits a quarter. Forms are available at the Workforce Development Office, Bldg. 5 (CSC), Rm. 421.

Washington State Residency for Tuition Purposes

Washington state residency status determines the students’ cost of tuition for most college credit classes. Information about residency is available online at olympic.edu/current-students/registration/residency.

Military personnel stationed in Washington state and their dependents who present military ID at registration will be granted a waiver of non-resident tuition and will receive the resident rate. Residency must be verified and proven each quarter of enrollment.

Individuals who are non-residents or U.S. citizens MAY qualify for resident tuition if they meet certain criteria. Contact the Ranger Station for more information.

State Contribution to Tuition

Pursuant to RCW 28B.15.0681 the average cost of educating a resident full-time student for the 2017-2018 academic year is $8,063. Students pay an average of $3,123 in tuition towards this cost. The remaining $4,940 is an “opportunity pathway” provided by the state and is funded by state taxes and other sources.

Academic Information

Academic information in this section provides an overview of academic and student procedures and requirements.

Award of Credit for Learning Outside Olympic College (Prior Learning Assessment)

Olympic College recognizes that several bodies provide accreditation for institutions of higher learning. To provide social equity, educational effectiveness, and to maximize credit for prior learning and training, OC awards credit as follows.

Transfer from Accredited Institutions

Regionally Accredited U.S. Institutions of Higher Education

OC honors academic credits earned at other regionally accredited institutions and subscribes to statewide policies on transfer of credit among Washington public and private colleges and universities approved by the Joint Transfer Counsel (JTC), the Intercollege Relations Commission (ICRC) and the Articulation and Transfer Council (ATC). Courses accepted in transfer must be substantially equivalent in academic level and content to course work offered at OC, except that courses in subjects not offered, such as Chinese language, or courses similar in level and intent but not offered at OC, such as HIST220, African American History, will be accepted in the general category. A grade of 2.0 or higher is required in each transferred course, except that up to 20 credits may be transferred with a grade of 1.0 to 1.99. English&101 (College Composition) will be accepted only with a grade of 2.0 or higher. Courses with a grade below 2.0 may not be used to meet prerequisites. Please see the following section on “Procedure for Transcript Evaluation” for additional information. Courses identified as non-credit are subject to the “Non-Traditional Learning” section that follows.

International Institutions of Higher Education

Credit for study completed in appropriate subjects and levels at universities and colleges outside the United States will be considered for transfer credit. Work completed at foreign colleges and universities must be evaluated through a foreign credentials service. The reports translated into English from this service must be submitted for further evaluation.

Limitations on Transfer of Courses or Credits

Transfer credit is not usually accepted for the following types of study or coursework:
1) courses taken at colleges or universities that are not regionally accredited; 2) non-credit courses and workshops; 3) remedial or college preparatory courses; and 4) sectarian religious studies. For exceptions, please see “Credit for Non-traditional learning” in this section. (Award of Credit Policy - Adopted by IPC – 3/09, updated 6/11)

Common Course Numbering

All Washington state community and technical colleges use a Common Course Numbering system. The system identifies courses that are equivalent at community colleges throughout the state to make it easier for students to transfer between two-year colleges. The courses with an ampersand “&” after the prefix code are part of the Common Course Numbering system. However, courses without an “&” will continue to transfer between two-year and four-year colleges under individual Direct Transfer Agreements as in the past.

Agreements to Accept Courses from Other Colleges or Institutions

• Students completing prerequisites and required courses at Peninsula College in preparation for the OC Physical Therapist Assistant program should follow one of the two pathways that have been developed.
• Students enrolling in the Early Childhood Education (ECE) program who have completed the United States Department
