POINT DEFIANCE ZOO AND AQUARIUM TRIP

The Point Defiance Zoo & Aquarium is the only combined zoo and aquarium in the Northwest. The zoo and aquarium is amazingly large with a variety of animals you thought you would never see in one place such as sharks and seahorses, polar bears, peacocks, walruses, and wolves. There are several amusing exhibit areas that you can visit such as Arctic Tundra, Rocky Shores, and Wild Wonders Outdoor Theater. You will quickly discover why this exhibit is called a sanctuary to the exquisite wildlife.

Aside from the exhibit areas, you can also come to the daily presentations where they showcase exotic animals. These daily presentations include Polar Bear Keeper Talk at the Arctic Tundra, New Animal Show at Wild Wonders Outdoor Theater, and Puffin Feed at Rocky Shores. There is always something new for the visitors to explore at the Point Defiance Zoo and Aquarium.

**BITE OF SEATTLE**

For this summer quarter, there are many interesting activities on every Friday, but nothing has as much flavors and textures as “Bite of Seattle” weekend. On Friday, July 21st, the international students who signed up for the activity got to enjoy such unique and diverse culinary culture with one of our Intensive English instructors Joyce. Bite of Seattle was a massive three-day annual event at Seattle Center with an estimate of more than 300,000 attendances.

The event is also Seattle’s original & largest food and beverage showcase and features 60-plus restaurants and vendors, which served a variety of delicacies from ethnic cuisines to all American favorites. The students got to taste all kind of dishes from standard ones like corn dogs and ice cream to more exotic ones such as alligator meat and deep-fried Oreos. There was also plenty of entertainment, including live performances from many singers and bands. Overall, the event was such a great cultural experience and fulfilling for anyone who attended.

**FORT WORDEN TRIP**

On Friday, July 28th, several international students visited Fort Warden and Port Townsend as a part of this Summers’s Friday Activities.

Tomoya, one of the students from Japan, really liked spending the day at the Fort Warden Park. He enjoyed the good weather, and had a lot of fun with the rest of the group by playing games and visiting historical sightseeing spots such as a bunker. In addition to that, the group visited the local museum and aquarium where they had the chance to touch several sea creatures and to learn more about killer whales.
