C. **Study Session**
1. **Board Coverage of Upcoming Events**
   The Board of Trustees discussed upcoming calendar items. There will be no board meeting in July. The next board meeting will be August 16th; the board will be meeting at OC-Shelton. The board will hold a retreat in August.

2. **Study Session – 2016-2017 College Budget**
   Dr. Mitchell reviewed a PowerPoint presentation on the 2016-2017 College budget. He discussed the factors that are contributing to revenue decline and the steps the College is proposing to take to reduce expenses.
   Dr. Mitchell noted that this is an enrollment crisis as well as a budget crisis. Enrollment is falling because the economy is improving and people are returning to work. It does not reflect a decline in the interest in attending college.
   Dr. Mitchell reported that as staff positions are vacated, they will be reviewed with a focus on department restructure. He gave examples of restructuring positions and division support.
   State appropriations will be based on enrollment. Dr. Mitchell held a College Budget Hearing on June 15th in ENG 117. At the hearing he emphasized the importance of outreach efforts to increase enrollment and retain students in order to operate with the declining revenue.
   Dr. Mitchell noted that capital projects do not affect the operating budget.
   Budgeting will be ongoing – a work in progress. OFM directives are dire. Do’s are: save, reduce and focus on what is critical. Don’ts are: don’t request refunds, restoration of prior cuts, etc.
   The board will study the policy implications in this budget climate at their annual retreat.
