Check your Financial Aid Status Online!

You can access the financial aid portal from the OC website: www.olympic.edu and click on Financial Aid

If you have completed a FAFSA or WASFA online and included Olympic College as one of your school choices, you should view your financial aid status including any awards you have been offered on the Student Financial Aid Portal at: http://www.fas.ctc.edu/portal1/?col=030

HOW TO LOG IN:
Your Social Security Number (SSN) is your “Username” and your six-digit birthdate is your “Password” (enter as MMDDYY format). NOTE: if you encounter problems with this format, simply drop the leading zero. For example, a student born on January 9, 1985 may need to enter 10985 (instead of 010985) to gain access.

SELECT AWARD YEAR: If you have completed more than one FAFSA, the most recent award year will appear. A drop-down selection is located in the top section of the screen after you log in to view a previous award year. You may also view and print your Shopping Sheet.

NOTE: Students can change their portal passwords in OASIS. However, it will not update for the Financial Aid Portal until that evening when the synchronization job runs to match the Global PIN to Financial Aid Portal Password. New Global PIN must be at least 5 digits.

WHAT YOU CAN SEE IN THE PORTAL

- Documents you have turned in or need to turn in
- Messages from our office
- Awards you have been offered
- Loan disbursements made
